### **WRWSD Board of Trustees Meeting – Mon., May 22, 2017**

President Jim Bridges called the meeting to order at 7:00 p.m.

**Roll Call: Present:** Beard, Beresford, Bridges, Buskey, LaPlante, Mgr. Cahall  
and Plant Supt. Culver

**Absent:** Furdin (ex.) and Redick (ex.)

**Minutes:** A motion was made by Beard and seconded by Beresford to approve the minutes of the May 13<sup>th</sup> Saturday meeting as distributed via email. A yes/may vote was taken and the motion passed unanimously.

**President's Report (Jim Bridges):** no report

**Treasurer's Report (John Buskey):** Buskey reported how the District's sewer and water rates compare to the sewer and water rates of about sixty communities in southwestern Ohio which were shared in the 2017 survey done by the city of Oakwood, OH. The Trustees discussed possibly gathering and comparing information about rates of other companies in Brown Co. and the counties which surround it.

**Report from the Manager (Paul Cahall):**

- All of the 2016 financial records and related paperwork, including the year-end financial, are ready to be picked up on May 23<sup>rd</sup> for the State of Ohio's annual audit.
- The payment to reconcile the 2016 services contract between the WRWSD and the WPOA was made to the District by the WPOA.
- Informational sessions for all employees participating in the 401K plan benefit being offered by the WPOA and the WRWSD will be held on June 14<sup>th</sup> and 15<sup>th</sup>.
- Five grinder pumps were purchased. The Manager is aware of four more house permit requests. An adjustment will need to be made to the 2017 WRWSD budget.
- The removal of sludge from the sewer plant will begin within the next month or so. The WPOA will provide one tandem truck and driver to assist in this project.
- The staff of the WRWSD is 'chasing down' a significant water leak on Atoka Cove which will involve driveway and road repairs with which the WPOA will assist.
- A new water meter for the pool was ordered in late 2016. A meter was just shipped today! Plant Supt. Culver contacted a different company from which to purchase the meter after realizing the former company's representatives were not well informed.
- Mgr. Cahall, Plant Supt. Culver and Clerk Bundy met to discuss and revise the Long Range 5-year Capital Improvement plan/maintenance effort for 2017. Mgr. Cahall will now review the document with Treasurer Buskey before presenting it to the Trustees.

- There will be no change in the cost for the employee life insurance benefit this year. However, the agent plans to do a competitive bid in hopes of getting a better cost.
- The 'summer help' employee began working today.
- The printer/copier has finally been delivered and installed!
- After further discussion about how to limit the liability of an 'attractive nuisance', the back-up lake, the Trustees directed the Manager to install more signage and a gate. The possibility of fencing the upland reservoir was also discussed as equipment has been stolen.

**New Business:** none

**Old Business:** none

**Motions and Resolutions:** none

**Adjournment:** At 7:35 pm a motion to adjourn the meeting was made by LaPlante and seconded by Beresford. All were in favor and the meeting was adjourned.

Respectfully submitted,

Joanne A. Coker, Assistant Recording Secretary

## WRWSD Board of Trustees Meeting – Sat., June 10, 2017

President Jim Bridges called the meeting to order at 9:30 a.m.

**Roll Call:** Present: Beresford, Bridges, Buskey, LaPlante, Purdin, Redick & Mgr. Cahall

Absent: Beard (ex.)

**Minutes:** A motion was made by Purdin and seconded by Beresford to approve the minutes of the May 22<sup>nd</sup> workshop meeting as read. A yeay/nay vote was taken and the motion passed unanimously.

**President's Report (Jim Bridges):** Bridges noted that the staff has been busy installing new taps!

**Treasurer's Report (John Buskey):**

- WRWSD income and expenses, at 42% through the year, are meeting goals as expected. Income is at 56% of the total anticipated for the year and the water and sewer expenses are at 36%. Total expenses are at 32%.
- The District budgeted for eight new water and sewer taps in 2017. This goal has already been reached this year, which is a significant difference from 2016. Requests for more new house permits, and thus taps, are anticipated.
- Several new grinder pumps were purchased at a cost of about \$17K.
- The WRWSD continues to be 'in good shape' financially.

**Manager's Report (Paul Cahall):**

- The auditors with the State of Ohio now perform the annual audit of the WRWSD's financial reports at their location rather than on site.
- The new construction is keeping the staff very busy.
- Life insurance for WPOA and WRWSD employees, which is less expensive with more coverage, has been obtained. Employees will also be offered the opportunity to purchase dental insurance (at no cost to the WRWSD).

**Old Business:** none

**New Business:** none

**Motions and Resolutions:** none

**Board Member Concerns:** none

**Membership Concerns:**

\***Charles Porter (Lot #2047):** Porter was told, in answer to his question, that the water availability fees go directly into the WRWSD's water reserve fund for maintenance, repairs, etc.

In response to Porter's concerns about possible pesticide/herbicide contamination of Lake Waynoka's drinking water he was told that the carbon filter system was installed several years ago to prevent such contamination. Water sample testing is done by both the District and the Ohio EPA on a regular basis.

**Adjournment:** The motion to adjourn was then made by Purdin and seconded by Beresford. All were in favor and the meeting was adjourned at 9:43 am.

Respectfully submitted,

Joanne A. Coker, WRWSD Assistant Recording Secretary
