Stop! If you water your lawn on a really windy day, most of the water either blows away on to your neighbor's lawn or simply evaporates. ☺

## WRWSD Board of Trustees Meeting – Sat., May 13, 2017

President Jim Bridges called the meeting to order at 9:30 a.m.

**Roll Call:** Present: Beard, Beresford, Bridges, Buskey, LaPlante, Purdin, Redick & Mgr. Cahall

Absent: none

**Minutes:** A motion was made by Purdin and seconded by Beard to approve the minutes of the April 24th workshop meeting as read with one correction: under Old Business Cahall shared the status of 'the acquisition of the property titled to Waynoka Utilities, Inc.', not to the WPOA. A yes/may vote was taken and the motion passed unanimously.

**President's Report (Jim Bridges):** Bridges shared that things are going as planned for the District. He appreciates that he is 'a part of an excellent system'!

**Treasurer's Report (John Buskey):**

- Six new water and sewer taps have been installed so far in 2017. The District budgeted for a year's total of eight.
- Income and expenses are occurring as expected. Income is above 33% due to the collection of water availability and bond income.
- Buskey then made a motion to approve the financial reports from April 30<sup>th</sup>, 2017, as distributed by email. The motion was seconded by Beresford. A yes/may voice vote was taken and the motion passed unanimously.

**Manager's Report (Paul Cahall):**

- The purchase of additional grinder pumps and taps due to the increased number of new houses being built will need to be discussed at the next workshop meeting.
- There is a leak on Atoka Cove that will require digging up the road.
- Additional signage will be erected around the back-up lake. Security has added checking the back-up lake to their rounds.
- The 2016 services contract between the WRWSD and the WPOA has been reconciled. The District will be reimbursed approximately \$10,900.00 by the WPOA.
- The capital plan has been reviewed by the Manager, the Clerk and the Plant Superintendent. Hopefully, they will be able to have a joint meeting in the near future to finalize the document.
- After two months of waiting, the copier/printer is to be installed on this coming Wednesday.

**Old Business:** none

**New Business:** none

**Motions and Resolutions:** none

**Board Member Concerns:** none

**Membership Concerns:** none

**Adjournment:** The motion to adjourn was then made by Purdin and seconded by Beresford. All were in favor and the meeting was adjourned at 9:39 a.m.

Respectfully submitted,

Joanne A. Coker, WRWSD Assistant Recording Secretary

## Take Your Library with You

Are you planning a vacation this summer? Do you need entertainment for an extended car or plane ride, or just want something to read while relaxing in your favorite vacation spot? The Brown County Public Library can help with that! In addition to print books we have a variety of portable entertainment. Download digital books from a selection of more than 256,000 eBooks or e-Audiobooks to your phone or tablet (no internet connection is needed after the initial download). Streaming videos are also available in our digital content catalog.

Have you tried the Playaways available for checkout? Playaways are audio books pre-recorded onto a small device that fits in your pocket. All you need are headphones or earbuds to listen to a book while cutting grass, gardening, exercising, or just relaxing. Playaways can also be connected to your car's auxiliary outlet and played through the car's sound system so the whole family can enjoy an audiobook together on the road.

Looking for something different for the kids? Playaway Views can be requested through our catalog; these small devices are similar to a portable DVD player with pre-loaded educational and children's programs. If you already have a DVD player in your vehicle, check out some DVDs and music CDs to captivate the kids while you drive. As always, it is free to borrow items from the Brown County Public Library. Visit our website at <http://browncountypubliclibrary.org> or call your library for more information: Fayetteville 513-274-2665, Georgetown 937-378 -3197, Mt. Come with your family and get blasted with colored powder. No worries it is safe and non-toxic. Just wear your old white t-shirt (or any old t-shirt). Wear your sunglasses or goggles. Bring your towels, coolers and lawn chairs.

---

### What is a Color Run?

The walk/ run is approximately 3/4 of a mile and it is more about the memories than your speed.. Another words it is not timed and everyone is a winner! Runners are doused with colored powder several times throughout the run/walk and at the end of the race we will have a color blow-out .

Please register between 10:30 and 11:00 on July 1st at the beach. (rain date July 2) There is no cost for this event. Limited to the first 125.

Is The Color Run safe?

The color powder is non-toxic, non-hazardous and 100%-safe Holi color powder. The products are made from natural cornstarch with color dyes that are food-and cosmetic grade-tested to the highest FDA standards.

What to bring and wear at the race?

1. Wear white clothes this will help you show off your colorful self.
2. Olive oil or conditioner for your hair this will help the color stay on the surface.
3. Sunglasses (child glasses provided)
6. Plastic bag for your sneakers (old sneakers)
7. Flip flops to slip on
8. Plastic bag for your painted clothes if you intend to change
9. Change of clothes
10. Baby wipes to wipe off after the race

How to take care of your clothes.

Dust or blow off most of the powder before using water. (Blower provided)

The color may or may not the event wash out of your clothes.As with anything dirty the sooner you wash it the better. We suggest wearing items that you wouldn't mind getting colorful.

Cleaning your hair: Dust any loose powder out of your hair and brush through your hair vigorously. Rinse out the oil/conditioner you wisely applied before the race with COLD water. Now wash your hair as you normally would. It is not uncommon for hints of some of the color, pink and purple particularly, to stick around for a few washes
