Waynoka Property Owners Association

Board of Trustees Meeting

Saturday, October 14th, 2017

President Prescilla Redick called the meeting to order at 10:00 a.m.

Trustee Judy Yannone led those present in the invocation which was followed by the Pledge of Allegiance.

Roll Call: *Present:* Buckley, Holt, Johnson, Kitchen, Koch, Redick, Robinson, Taylor, Yannone & Mgr. Cahall

Absent: none

Minutes: The motion to approve the minutes of the September 9th, 2017, WPOA public meeting as published in the October Newsletter, was made by Koch and seconded by Taylor. A yea/nay hand vote was taken and the motion passed unanimously.

President's Report (Prescilla Redick):

- Redick reminded the property owners that the handout of the October WPOA meeting agenda and WPOA committee reports was available on the speaker in front. The agenda and reports were also delivered to property owners via an 'email blast' before noon yesterday. **Anyone who would like to receive "email blasts" from the WPOA needs to contact the Office Staff and submit their email address for inclusion on this list.**
- Redick then asked for updates to the printed reports since the workshop meeting was held several days ago on Monday, October 9th. *The updates are indicated in italics in the summary of each report from the handout that is included below. jac*

Treasurer's Report as of September 30th, 2017 (Vern Taylor):

Operating funds

- The total September operating income was \$88,000.00.
- The total operating expense for the month of September was \$185,000.00 with no unexpected expenses.
- The operating fund balance at the end of September was \$438,000.00.
- The operating income for the year at the end of September was \$1,799,000.00 and that is 96% of the plan for 2017. The expected income at the end of September to plan was 88% or 8% ahead of plan for income.
- The operating expense for the year at the end of September was \$1,535,000.00 and that is 81% of the plan for 2017. The expected expense was 78% which was 3% over budget.
- Currently the higher than expected incomes are ahead of the higher expenses.

Allocated Assessment Funds

- The income for allocated operating assessments in September was \$14,000.00.
- Assessment account expenditures in September totaled minus \$2300.00. This was due to a reimbursement from operations for budgeted expenses.
- The balance of all allocated assessment accounts at the end of September was \$357,000.00.

Invested Funds – Invested reserves at the end of September totaled \$346,729.00.

Total cash 'on hand' at the end of September was \$1,142,000.00.

Manager's Report (Mgr. Cahall):

- The Admin Office will start winter hours in November. The Office will NOT be open on Saturdays from the first Saturday in November until the first Saturday in March.
- Good progress is being made dredging the Kiddie Corral area. Most likely work will continue in this general area until the equipment is pulled out of the lake during the first half of November. *The dredging machine was taken 'off the water' last Wednesday to make a hydraulic line repair. Work resumed on Friday.*
- The maintenance staff has been installing extensions on docks to give fishermen and boaters better access from the shore. The plan is to replace the docks at Geronimo over the winter.
- The ODNR inspected the main dam last month. There were no major areas of concern. They did request that some sealing work be done on the spillway and that brush be removed from the emergency spillway. The dam will be inspected again next year to align the WPOA's inspection with other dams in the area. (The inspections are done on a five year cycle.)

- Shoreline inspection letters informing property owners of shorelines in need of repair were sent. Any property owner with questions about this notification is asked to contact Mgr. Cahall. The Board authorized \$10K to spend on shoreline upgrades of WPOA owned properties this winter. New signs will also be installed in the recreation areas.
- The work of resurfacing the main pool continues and should be completed by the 20th of October. There will be a slight increase in the cost of the repairs because more of the surface had to be removed and patched than originally anticipated.
- The lake will not be lowered before November 15th. However, the valve may be opened at any point after that date.
- The booth at the Brown County Fair was a great success. Several of the inventory lots were sold to new members. All of the 43 lots purchased at the Brown County Auditor's sale last November have now been sold and mostly to new members.
- Work continues on the 2018 budget. The Manager and the Finance Committee are meeting every Monday. Their goal is to present a recommended budget to the Board by the first of November.
- **The restaurant is now closed for the winter.** The floor of the kitchen will be replaced over the winter. The Board is currently discussing the future of the restaurant and all options are 'on the table'.
- **PLEASE, DO NOT BLOW LEAVES INTO THE LAKE THIS FALL OR ANY TIME.**
- Cahall then shared: *"These thoughts came to me recently... This is just some advice related to the budget. Remember: The WPOA does not create money anywhere. It all comes out of your pocket or your friends' pockets. So when you ask the WPOA to do something - whatever it is – think to yourself... Is this something that I should ask my neighbor to help me pay for?"*

Security Report (Chief Wallace):

- In the September security report there were 47 calls for service including one arrest, six reports, two traffic citations and two warnings, five squad runs, no fire runs, 15 animal complaints and 12 calls for grinder pump service.
- The Marine Patrol spent 43 hours on the Lake during August with additional patrol by the Russellville Fire Department during the Labor Day weekend fireworks. Two disabled boats were towed in.
- During September two domestic violence investigations were conducted and charges may be filed once the investigations are completed. **The issue of dogs running at large through the community has been brought to the attention of the Security Office. Dogs must be confined per Ohio Revised Code 955.22. The WPOA also addresses this through Rules and Regulations section II, subsection 1 – pets. A WPOA property owner could be issued a summons under either section if their dog is not confined.**

Other Committee Reports:

Long Range Planning (Dick Bankes): The Long Range Planning Committee is developing a report merging the WPOA 1 to 5 Year Budgetary Projection, covering forecasted capital and operating expenses, with the Reserve Advisers Consultant's more comprehensive report. (The full report is available on the Lake Waynoka website.) The two forecasts will then be reconciled and a new 5-year forecast, covering 2018 – 2022, will be submitted for Board review. The Committee is also identifying issues to be addressed as we begin the transition to a 30 year planning cycle.

Lake Advisory (Mike LaPlante):

- The Committee would like to thank the WPOA Board, Lake Manager, and maintenance personnel for fixing the docks at Tomahawk and Little Crow. Our boaters and fishermen can now access their watercraft safely.
- In regards to some fishermen complaining that 'there not as many fish or large fish are being caught', please remember that the Lake Waynoka Boating and Fishing Guide addresses our Fishing Regulations. This guide includes minimum size and daily limits for each species of fish. The Committee is also considering other actions to help enforce the limits identified in the guide.
- The Committee is reviewing the Lake Waynoka Boating and Fishing Guide in preparation for the January 2018 distribution. Specifically, high water and lake lowering periods for 'no wake' restrictions are being reviewed. They will be working with the Lake Manager to develop a procedure for notifying boaters when "No Wake Conditions" affect use of the lake.
- **The Committee strongly reminds property owners and landscapers to not blow leaves and grass clippings into the lake during fall clean up or at any other time of the year.** Leaves and lawn clippings provide the lake with excess phosphorus and decaying nutrients. Excess phosphorus causes increased algae growth which is not desirable vegetation in our lake.
- If anyone sees something that might be a safety concern in or around the lake common areas, please Chairman Michael LaPlante (937-689-7604 or laplantema@gmail.com).

Building (Pete Levermore): No variance requests were submitted to the Committee in September. Seven permits (including one residence, one dock, one storage building, and one fence) were approved in September for a total of 88 permits in 2017.

Rules and Regulations (John Buskey): The Committee chair continues to work as an editorial consultant to the Building Committee as they revise the current zoning and building requirements document in preparation for Board consideration. The document will be volume 2 of the Rules and Regulations.

Election Inspectors/Nominating (Nominating Chair, Anna Clark):

- Applications from seven candidates for the WPOA Board of Trustees were received and approved: Kenneth Crank, Jenny Ellis, Eric Kirk, Prescilla Redick, John Sharp, Steve Von Wahlde, and Michael Woods. *Please note that Michael Woods withdrew his application during the 'Meet and Greet' for candidates following the meeting.*
- Applications from three candidates for the WRWSD Board of Trustees were received and approved: Jim Bridges, John Buskey, and Pete Levermore. Since the number of candidates is the same as the number of vacancies, they 'win' their seats by acclamation.
- A 'big' thank you goes to all of the candidates for their willingness to serve our community. Thanks is also extended to those trustees whose terms are expiring and are not running again: Tom Beresford, Todd Holt, and Vern Taylor. All of the time and effort given on behalf of all of the property owners at Lake Waynoka is appreciated!
- The Committee is working on compiling the ballot packet and how to include the vote on the reserves issue in this year's election process. Ballots will be mailed before the end of October and must be returned to the Office by 4 p.m. on November 27th for the votes to be accepted for counting. Whether or not a ballot is mailed or dropped at the Office, a property owner's **lot number MUST be on the outer envelope.**

Unfinished Business:

- Mgr. Cahall shared the details of a variance request which was brought before the Board during the Workshop Meeting on October 9th. *Holt moved and Buckley seconded a motion to approve the variance requested by the property owner of lot #2890 to dig out an area of approximately 30' x 10' of lake access lot #2893 to allow for a dock extension (contingent upon the Building Committee's approval).* Pres. Redick opened the floor to questions and discussion. After a lengthy discussion of thoughts shared by both Trustees and property owners a roll call vote was taken. *The motion failed with 6 nay votes (Redick, Yannone, Johnson, Koch, Kitchen, and Robinson); 2 yea votes (Holt and Buckley); and 1 abstention (Taylor).*
- Trustee Kitchen once again shared that she believes that 'an initiation fee needs to be looked at for new property owners'. Pres. Redick requested that Kitchen share her information with the Board, as was previously requested at the September meeting. She asked Kitchen to prepare a presentation for the Board to be given during the next workshop meeting as an 'action item'. Treasurer Taylor asked that the same information be made available to the Finance Committee. This suggestion will be discussed during the November workshop meeting.

New Business:

- *Buckley moved and Koch seconded a motion to allow the WaterSports Club to hold a BYOB event at the Lodge on Sunday, October 15th. A yea/nay vote was taken and the motion passed unanimously.*
- *Koch moved and Holt seconded a motion to allow a wedding reception to be held in the Rec Center on Saturday, October 21st to be BYOB. A yea/nay vote was taken and the motion passed unanimously.*
- Property owner, Terry Borgman, a local disaster volunteer for the American Red Cross, introduced Ed Helphinstine who is in charge of Disaster Management for Region 4 in Ohio which includes Brown County. He shared that the responsibilities of the Red Cross are to help communities prepare for disasters, to respond to disasters, and to recover from disasters. Brown County has only two volunteers! Contact Borgman or the American Red Cross if interested in helping this organization meet the needs caused by local disasters such as house fires, tornadoes, flooding, etc.

Motions and Resolutions: none

Community Organizations: *The deadline for submission of information for the November newsletter and other media releases is Monday at 4 pm. The Office Staff appreciates the cooperation of all of the clubs to share the events and activities held in Lake Waynoka. Several representatives of the community organizations then reported information that they deemed necessary to be highlighted. jac*

Civic Club (Terry Borgman): The Civic Club members are raising funds to assist the fire departments serving Lake

Waynoka. Recently a generator was donated to the Sardinia Fire Dept. to equip one of their fire trucks. On October 31st at the Club's annual dinner a check for \$1500 will be presented to the Russellville Fire Department to help equip their new rescue boat. Monies raised from the sale of the annual calendars and Lake Waynoka clothing items provide these donations and others given toward such causes as the Haunted House at the Campground.

Campground (Walt Robinson): Robinson reminded everyone that the annual Trick or Treat/Haunted House event in the Campground is October 21st from 5 to 6:30 pm. **No open passes will be issued. Names of drivers must be called into Security prior to the starting time of the event. No moving vehicles (cars, trucks, golf carts, skate boards, bicycles, etc.) will be allowed to operate in the Campground from 3:30 until 6:30 pm.** He thanked the WaterSports Club for its candy donation; Gina Dash, the WPOA's Events Director, for the help she has provided in the planning; and the Russellville Fire Dept. for its participation during this event.

WaterSports Club (Vern Taylor): All of the umbrellas at the Beach now have new tables at a cost of \$16,500.

Russellville Fire Dept. (John Manning):

- Manning invited everyone to a Veterans Day dinner on November 11th at 5:30 pm which will be held at the Russellville Firehouse. Vets may eat free. A euchre tournament will follow the dinner.
- The Department has received several grants totaling about \$300K to purchase equipment. The cost to equip one fireman runs between \$5K and \$6K.
- Manning emphasized that there is a fire truck 'running out' of the sub-station in Ashridge. He suggested that any questions regarding the new District Fire Service be directed to Chief Neu.
- He thanked everyone for all of the support given to the Department by the people of Lake Waynoka.

Board Concerns: none

Pres. Redick invited everyone to meet the WPOA Trustee candidates during the 'Meet and Greet' following this meeting.

Membership Concerns:

*Carolyn Slater (Lot #2769): Slater thanked everyone for their support of the Christmas for the needy children project. The dinner and auction raised over \$13K and donations continue to be given. Slater shared that she will be stepping down as chairperson of the project after this holiday season.

*Joanne Edwards (Lot #473): Edwards noted that 39 tickets have already been reserved for the Art Club's Uncorked on Canvas event in November.

*Mike Woods (Lot #273): Woods raised his concerns and asked questions about several topics including the inclusion of a place for an examiner to sign off on building permits; the reason monies were returned to the WPOA by Workman's Comp; the need for the Ohio Dept. of Natural Resources to patrol our lake; the status of the restaurant; and whether or not the WPOA would be liable if there is an accident on the lake during an event sponsored by a club.

*Ginny Tatman (Lot #2635): Tatman announced that the Civic Club was selling Lake Waynoka clothing in the back of the room after the meeting.

*Charles Porter (Lot #2047): Porter believes that the property owners should be given more detailed reports of the WPOA's finances. He was told that any report can be requested and that the WPOA is audited annually without negative findings. Porter also asked why his variance request had not yet come before the Board. It was explained that the Board believes that it is his responsibility to take the next step in this process.

Mgr. Cahall responded to statements made about the ODNR and requests for them to patrol the lake. He stated that the ODNR has never been told not to come into Lake Waynoka and that they are always welcome.

Adjournment: A motion to adjourn the meeting was made by Johnson and seconded by Taylor. The motion passed unanimously and the meeting adjourned at 11:11 am.

Respectfully submitted, Joanne A. Coker, WPOA Assistant Recording Secretary

Attention, Property Owners! It's Election Time Again.

The Nominating Committee has accepted the applications of six candidates (plus one who has since withdrawn) for three expiring seats on the WPOA Board of Trustees. Their photos and resumes are published here and will also be part of the ballot packet that will be mailed to property owners in late October. Please take the time to read these and learn something about these fine folks who are willing to spend untold hours of time and disrupt their lives in order to serve their community and their neighbors.

For the WRWSD Board, three candidates have applied for the three expiring seats, and each will be appointed to the new term by acclamation. Congratulations Jim Bridges, John Buskey and Pete Levermore, and thank you for your service to Lake Waynoka.

This year, due to the completion of a reserve adequacy assessment by Reserve Advisors, Inc., we are voting on the reserve funding issue as well as for WPOA Trustees. The full reserve study report and the Reserve Advisors meeting notes may be found at LakeWaynoka.com under News/Notices.

Please don't forget to vote. It's important! Thank you.
Anna Clark, Nominating Committee

Board of Trustees Candidates

Kenneth Crank - A graduate of UC, I am currently EMS Coordinator for Cincinnati Children's Hospital, sit on the State of Ohio EMSC committee and provide EMS instruction at SHCTC and Cincinnati State. My wife and I, along with our children and grandchildren, have enjoyed Lake Waynoka for over 20 years. Now with your support to serve as your Trustee, I want to give back and do my part in maintaining and improving our wonderful community. With your vote I will be a voice on the board for every member as we honor our traditions, while preserving our present and promoting our future. As owners we each have a vested interest in making Lake Waynoka as good as it can be. Let me work for you as your Trustee, and I will commit my very best in supporting your interests with honesty and integrity. Thank you for your support and your vote.

Jenny Ellis - I grew up in nearby Williamsburg, graduated high school Valedictorian and married my husband, Gordon Ellis. As a career homemaker my focus has been on raising our four children and supporting my husband in his military and law enforcement career. Over this time, my exposure to and involvement in governmental, community and church functions has equipped me with the experience and understanding of how organizations can be most effective in providing their services. I believe a critical first step is to listen with an open mind that considers all points of view. Secondly, it is vitally important to communicate clearly and in a manner that promotes cooperation, involving all, so we can develop solid solutions to real problems. Only by working together, will we lift up everyone's prosperity and enable Lake Waynoka to achieve its greatest potential. I am Jenny Ellis, and I would appreciate your vote. Thank you.

Eric Kirk - Anita and I have been home or property owners (including as campers) at Lake Waynoka since 1999. I served as a WPOA Board Trustee for six years (until April 2017) and as a WRWSD Board Trustee for four years. My degrees (BS in Chemical Engineering and MBA in Labor Relations) are/were very helpful in understanding and fulfilling both assignments, as was my management experience requiring personnel responsibility for 15 to 500+ employees. I have always felt it critical that Trustees fulfill the sworn commitment to represent all Members equally and properly for the betterment of Lake Waynoka. I believe that I can help significantly improve the scope and understandability of the WPOA finance reporting and ensure that property, home owner, or camper fees and assessments are managed sensibly. Communication between the Board and all Members can be improved significantly and made far more transparent and open.

Prescilla Redick - My name is Prescilla Redick, and I am asking for your vote for the privilege of continuing to represent you as WPOA Trustee. During my current tenure as Trustee and Board President, your support has enabled much progress. For instance, this year for the first time in many years we saved money to our reserve account. Other significant accomplishments include establishment of a 401k plan for our employees, installation of our new gate entry system, development of a lake dredging program, completion of camp ground electrical upgrades, completion of a commissioned reserve study and completion of an update to our rules and regulations. Many other steps forward have been achieved over the last three years that this space doesn't allow us to list. Still, we have much more we can do. With your support and a vote for Prescilla for Trustee, I hope to continue working for you. Thank you.

John Sharp - My family has been connected to the Lake Waynoka community since the 1980s and my wife, Ashley, and I have been full-time residents of Lake Waynoka for the last 9 years. I am currently the Maintenance Supervisor at our sister community—Lake Lorelei, and serve on the WPOA Building Committee, and I am the former mayor of the Village of Russellville, so I have a deep understanding of financial responsibility, community involvement and collaboration, and personnel management. I am seeking election to the Board of Trustees to serve as a voice for the Lake Waynoka Community by listening to our members, addressing concerns, and carving a path for our future.

Steve VonWahlde - My wife, Gail, and I have been Lake Waynoka “weekenders” for over six years, and plan to live here permanently when I retire from my position as an attorney for Macy’s, Inc., in downtown Cincinnati, where I have worked for over 19 years. Lake Waynoka is a wonderful community, and we enjoy every minute of our time here. I am committed to open communication, fiscal responsibility and accountability to the property owners. If elected as trustee, I promise to listen to your concerns, ideas and insights, and do my best to make decisions in the best interests of Lake Waynoka and its property owners. I believe that trustees have an obligation to YOU, the property owners. I pledge to do my best to live up to those expectations and will work tirelessly to make our great community even better for everyone.

Michael Woods -- Withdrawn

WRWSD Board of Trustees Meeting – Mon., September 18, 2017

Vice-President Charles Beard called the meeting to order at 7:00 p.m.

Roll Call: Present: Beresford, Beard, Buskey, LaPlante, Redick, Mgr. Cahall & Plant Supt. Culver

Absent: Bridges (ex.) and Purdin (ex.)

Minutes: A motion was made by Beresford and seconded by Redick to approve the minutes of the September 9th Saturday meeting as distributed via email. A yea/nay vote was taken and the motion passed unanimously.

President's Report: no report

Treasurer's Report (Buskey):

- Buskey made a motion to approve the financial reports from August 30th, 2017, as distributed by email. The motion was seconded by LaPlante. A yea/nay voice vote was taken and the motion passed unanimously.
- After Buskey shared details of the line items which need to be amended in the WRWSD's 2017 fiscal year budget (as required by the State of Ohio), he moved and LaPlante seconded Motion #2017-10 to do so. A roll call vote was taken and the motion passed unanimously. (See Motions and Resolutions below for further details).

Report from the Manager (Paul Cahall and George Culver):

- The water plant was struck by lightning in July. Thus far about half (\$14K) of the amount of claims submitted to the insurance company (\$30K) has been paid. It is anticipated that addition claims will be submitted. The Manager will continue to discuss this issue with the insurance adjuster. The staff is still in the process of getting all of the equipment and software operational.
- The inspection of the main dam owned and maintained by the WPOA and the inspections of the three dams owned and maintained by the WRWSD will be done by the ODNR (Ohio Department of Natural Resources) on Thursday, September 21st. These inspections are done on a five year cycle. However, the Lake Waynoka dams will be inspected again in 2018 so that all of the dams in this area will be inspected on the same schedule in the future.
- Additional grinder pumps have been ordered to accommodate the new housing starts recently requested as well as those expected before the end of the year. Frontier lines were recently cut during an installation, resulting in an outage to customers, when the markings were placed incorrectly.
- The removal of sludge from the sewer plant began today and will be completed by the end of the week.
- Following a brief explanation by the Manager, Motion #2017-11 was passed unanimously by a roll call vote. See Motions and Resolutions below for further details.
- Culver shared the details of maintenance that will need to be done in the plant as soon as the ordered parts are delivered.
- The staff continues to 'chase' several leaks and will repair them when they are located.

New Business:

- Buskey asked a couple of questions about the water report. The Trustees, after discussing the concerns, directed the Manager to discuss them with Kay Bundy, WRWSD Clerk.
- Trustee Beresford shared that he would not be running for re-election to the WRWSD Board this fall.

Old Business: Redick reported the 'catch' of fish from the Reservoir by members of the Lake Committee this season: 24 bass, 10 crappies and 1 bluegill. These fish were transferred to the main lake and the total was less than in 2016.

Motions and Resolutions:

- **Motion #2017-10** was made by Buskey and seconded by LaPlante to amend the 2017 fiscal year budget, increasing income by \$33,500.00 to \$980,983.00 and increasing expense by \$40,435.00 to \$851,889.00, yielding a net income of \$129,094.00. A roll call vote was taken and the motion passed unanimously. *A copy of the motion with the amendments is available for review at the Office. jac*
- **Motion #2017-11** was made by Redick and seconded by Beresford to designate Kay Bundy, WRWSD Clerk, to attend the Certified Public Records Training for the WRWSD Trustees. A roll call vote was taken and the motion passed unanimously.

Adjournment: At 7:30 pm a motion to adjourn the meeting was made by LaPlante and seconded by Beresford. All were in favor and the meeting was adjourned.

Respectfully submitted, Joanne A. Coker, Assistant Recording Secretary

Stop! It's a red light!

If at any time you notice that the light on top of the electrical box for your grinder pump is lit call Security at 937-446-3214.

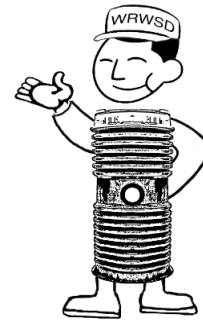

Some pumps also have an audible alarm.

The WRWSD staff will be dispatched to check out your pump.

The lit red light means that your pump is *not* working properly.

Be a good neighbor and watch their lights also!

WRWSD Board of Trustees Meeting – Sat., October 14, 2017

President Jim Bridges called the meeting to order at 9:30 a.m.

Roll Call: Present: Beard, Beresford, Bridges, Buskey, LaPlante, Purdin, Redick & Mgr. Cahall

Absent: none

Minutes: A motion was made by Purdin and seconded by Beard to approve the minutes of the September 18th workshop meeting as read. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Jim Bridges): After attending both the National Rural Water Association's meeting in Nevada and the Ohio Rural Water Association's meeting in Adams County recently Bridges noted that "our water and sewer assets are good". A lot of valuable information can be learned while networking with others about their systems and their needs as communities.

Treasurer's Report (John Buskey):

- At 75% of the way through 2017 the WRWSD's income and expense are tracking as expected except for increased income from new housing starts and the installation of water and sewer taps (13 locations rather than the 8 which were in the proposed budget) and the increased expense caused by the lightning strike at the plants.
- Work will begin on the 2018 WRWSD budget in the near future.
- *Buskey made a motion to approve the financial reports from September 30th, 2017, as distributed by email. The motion was seconded by Beresford. A yea/nay voice vote was taken and the motion passed unanimously.*
- Buskey noted that he had also attended the Ohio Rural Water Association's meeting and learned much from the presentations. Buskey and Bridges both urged property owners to visit the Nature Conservancy east of West Union where the meeting was held. There are hiking trails and beautiful views to be enjoyed!

Manager's Report (Paul Cahall):

- All of the final bills related to the lightning strike have been submitted to the insurance company. So far \$14K+ has been received in reimbursement. All of the damaged equipment has either been repaired or replaced and is now operational.
- So far this year 13 water taps and 13 sewer taps have been installed. Two more permits for new homes are awaiting approval.
- The three dams owned by the WRWSD all passed the ODNR's inspection last month. A request to remove brush was the only suggestion made. Full inspections of the three dams will be done next year to align the timing of inspections with those of other dams in the area.
- The sludge removal was completed.
- The Lake Waynoka Regional Water and Sewer District was recently awarded the Auditor of State Award for 'their clean audits' – the fifth year in a row! Congratulations and thanks were expressed to Paul Cahall, Manager; George Culver, Plant Superintendent; Kay Bundy, WRWSD Clerk; and John Buskey, Treasurer. Buskey noted that the auditors have shared 'their appreciation of the environment in which they are working' when at Lake Waynoka. Their comments have been 'very positive about the cooperation of the staff'.

Old Business: none **New Business:** none **Motions and Resolutions:** none **Board Member Concerns:** none

Membership Concerns:

*Charles Porter (Lot #2047): Porter continued his questioning about 'the large groups of people who are not paying water availability fees'. It was noted that his example of the Waynoka Development Corp. is a defunct company from which no fees can be collected. Both Mgr. Cahall and Pres. Bridges requested that Porter bring specific cases to them so that the Board can look at these examples more closely.

Adjournment: The motion to adjourn was then made by Purdin and seconded by LaPlante. All were in favor and the meeting was adjourned at 9:51 am.

Respectfully submitted, Joanne A. Coker, WRWSD Assistant Recording Secretary

LAKE WAYNOKA COMMUNITY ORGANIZATIONS ANNOUNCEMENTS

Community Organizations: *The deadline for submission of information for the November newsletter and other media releases is Monday at 4 pm on the 3rd Monday of every month. The Office Staff appreciates the cooperation of all the clubs to share their events and activities held in Lake Waynoka.*

Art Club: Joanne Edwards, (937) 446-1917. The Art Club met Monday, October 9th with a calligraphy demonstration by Eileen Brown. There is much to learn about this art form and we will be working with it in the months ahead. Tickets for Uncracked on Canvas went on sale Saturday, October 14th with previous reservations from last month. We have only one ticket available as this goes to press but several still reserved that may be available. Please contact Joanne Edwards at (937) 446-1917 if interested in purchasing a ticket or put on a

writing list.

The Uncracked on Canvas will take place on November 12th at 6:00 PM at the Lodge, limited to 42 people, \$25 in advance and \$30 at the door. This is a BYOB with appetizers served. The money that the Art Club makes from this event furnishes free children's art activities at Lake Waynoka.

The Art Club meets the second Monday evening of every month at 6:30, however, occasionally we will meet the third Monday if members cannot attend the second Monday. Please contact Joanne before guest attending. Mark your calendars to join us for our December meeting, we will be having our Free Christmas Party at the Lodge on Monday, December 11th at 6:30 PM, bring a wine glass to paint or glass or dish of your choosing. More to come.

Campground: Walt Robinson, (513) 290-8892. Robinson reminded everyone that the annual Trick or Treat/Haunted House is October, 21st from 5 pm to 6:30 pm.

No open passes will be issued. Names of drivers must be called into Security prior to the starting time of the event. No moving vehicles (cars, trucks, golf carts, skate boards, bicycles, ect.) will be allowed to operate in the Campground from 3:30 until 6:30 pm.

He thanked the WaterSports Club for its candy donation, Gina Dash, the WPOA's Events Director, for the help she has provided in the planning, and the Russellville Fire Dept. for their participation during this event. We want to THANK all the sponsors and everyone for your money and candy donations. Like us on:

Chapel: Rev. Sam Tully Pastor, (540) 290-1592. Bings-- November, 11th and November, 25th (doors open 5:30) @ 7 pm in the lodge. Women's Ministry-- November, 24th @ 6 pm (LIFT-- Ladies In Faith Together). Every Friday-- 12 Steps Recovery Meeting @ 7 pm; Every Sunday-- Bible Study @ 5:30 pm. Like us on: www.facebook.com/Lakewaynoka.chapel

Civic Club: Terry Bergman, (937) 515-7842. During the next month the Civic Club will hold its Annual Dinner Meeting at the Old Y restaurant at 6 pm on October 31, 2017. This will be the last meeting of the year until the Snowbirds return in the spring, March 2018.

The Civic Club will be selling Lake Waynoka clothing at the October and November WPOA monthly meetings. Items are on display in the Lodge display case with a price list. Remember Christmas is coming. The Civic Club will be selling Lake Waynoka Calendars starting October, 14th 2017 at the Craft fair, the Administration office and all the Civic Club members. The calendars have a new interesting photo's this year.

The Civic Club will use the funds collected from the calendar proceeds to support various community efforts and the local Fire Departments. We have already supported the Sardinia FD and will soon make a donation to the Russellville FD at our meeting at the end of October. The Civic Club will support the Campground Haunted House building supply needs so that the kids will enjoy the Halloween celebration on October 21, 2017.

Health & Recreation Center, Dana Brunel, (937) 446-1778: November will be a fun filled month with lots going on! Dana will be donating a turkey to give-away for fitness class participants! Tickets will be handed out at any fitness class starting Monday, November 13th. The drawing will be held between cardio fit and water aerobics on November 22nd. You do not have to be present to win, but please write your name and number on your ticket if you will not be here during the drawing. The turkey must be picked up by 9:00 pm on November 22nd.

The Lake Waynoka Health & Recreation Center will be CLOSED for Thanksgiving, November 23rd. Vinyasa Yoga is still running strong, please check Linda out every Tuesday at 7 PM. Kickbox and Fit Body is held every Tuesday and Thursday at 6 PM with Mandy. We hope everyone has a wonderful

Thanksgiving! Check us out on social media or stop by and see us for our upcoming events & classes on:

A FRIENDLY TIP FROM THE LAKE ADVISORY COMMITTEE:

While some decaying matter is necessary for some aquatic life to live in a lake, too much is harmful!
Don't rake or 'blow' leaves into the Lake.
 Mother Nature is the only one who has permission to drop leaves in the waters of Lake Waynoka!!!!!!
Also direct the grass clippings from your mower away from the water.

Thank you!
