Waynoka Property Owners Association

Board of Trustees Meeting

Saturday, June 9, 2018

President Prescilla Redick called the meeting to order at 10:00 am and wished all of the fathers an early Happy Father's Day.

Trustee Judy Yannone led those present in the invocation which was followed by the Pledge of Allegiance.

Roll Call: *Present:* Buckley, Crank, Ellis, Kitchen, Koch, Redick, Robinson, Yannone & Mgr. Cahall

Absent: Johnson (ex.)

Minutes: A motion to approve the minutes of the April 14th, 2018, WPOA Public Meeting as published in the May Newsletter which was tabled in May, was made by Koch and seconded by Buckley. After listening to and transcribing portions of the recordings of the 041418 and the 051218 WPOA Meeting Minutes the sentence which Trustee Kitchen requested be omitted was reworded as follows: So as a Trustee she and a couple members of the Lake Advisory Committee were at the spillway Friday morning seeing how the maintenance staff was making the necessary repairs. A yea/nay voice vote was taken to approve the minutes with the rewording and the motion passed unanimously.

A motion to approve the minutes of the May 12th, 2018, WPOA Public Meeting as published in the June Newsletter, was made, with one correction, by Koch and seconded by Robinson. Under Community Organizations, WaterSports Club, Earth Day Cleanup, it should have read Pickle ball Club instead of Paddleball Club. A yea/nay voice vote was taken and the motion passed unanimously.

President's Report (Prescilla Redick): Redick asked for updates to the printed reports since they were submitted for distribution on Wednesday, June 6th. *The updates are indicated in italics in the summary of each report from the hand-out that is included below.* jac Please note: Anyone who would like to receive an "email blast" of the report summaries, on the Fridays prior to the meetings, needs to contact the Office Staff to submit their email address for inclusion on this list. jac

Treasurer's Report as of May 31st, 2018:

Operating funds

- The total May operating income was \$163,000.00 including boat and car sticker sales.
- The total operating expense for the month of May was \$171,000.00 with no unexpected expenses.
- The operating fund balance at the end of May was \$865,635.56.
- The operating income for the year at the end of May was \$1,367,000.00 and that is 65% of the plan for 2018. The expected income at the end of May was 67%; so the WPOA is 2% under budget.
- The operating expense for the year at the end of May was \$766,000.00 and that is 37% of the plan for 2018. The expected expense was 40%; so the WPOA is 3% under budget. The WPOA is currently 1% better than expected on overall budget performance.

Allocated Assessment Funds

- The income for allocated operating assessments in May was \$25,000.00.
- Assessment account expenditures in May totaled \$15,700.00 including \$7500 for pool furniture; \$2K toward the bath house project; and \$4K for culvert pipe.
- The balance of all allocated assessment accounts at the end of May was \$515,458.66.

Invested Funds – Invested reserves at the end of May totaled \$373,040.31.

Total cash 'on hand' at the end of May was \$1,754,134.53.

Manager's Report (Paul Cahall):

- Cahall will be doing the shoreline re-inspections in July to ensure everyone has had a chance to address the problems identified in letters that were sent last fall. He is waiting until July because of the bad weather this spring which made it hard to get equipment down next to the lake.
- Over Memorial Day weekend there was an issue with trash pickup and overflowing dumpsters. The additional pickup by Rumpke scheduled for Saturday that weekend did not happen. Cahall will be working with Rumpke to make sure this does not happen again on another holiday weekend. **Please note that the dumpsters are not for member use, other than the ones designated for the Campground which are for the campers only.**

(continued on pg. 3)

- The maintenance staff put all of the new pool furniture together and had all of the pools up and running on time for a great Memorial Day weekend. The short list of upgrades and repairs included slide repair; diving board recoating; new lifeguard platforms, non-skid material on the ladders; pump and filter repairs; and pressure washing. Now the maintenance staff will work on completing the beach bathhouse project.
- The Recreation Center was very busy Memorial Day weekend. The new umbrellas were received after opening day and are now around the pools. Repairs have been made to the hot tub and maintenance work will be scheduled on the indoor pool sometime this summer.
- Recreation Center Rule: **Property owners must be with their guests when they want them to gain access to the Recreation Center. Otherwise, their guests will be turned away.** There is nothing sadder than a five year old child who can't get into the pool area. "Please don't make us the bad guys. Be there with your guests when they arrive."
- In the Campground the garage door and Office AC unit were repaired and more sand will be added in the playground area. Most of the storm damage clean-up has been completed.
- The Restaurant had a few 'start up hiccups, but at this time it is believed that all of them have been addressed.
- A new phone system has been installed at Security and in the Administration building replacing a 25 year old system. Everyone who needs a phone now has one along with some upgraded capabilities.

Security Report (Chief Wallace):

- In the May security report there were 35 calls for service including no arrests, four reports, three traffic citations (driving under suspension, speed, and child restraint), seven warnings (for speed and stop sign violations), six squad runs, three fire runs, and 5 animal complaints (3 dog and 2 other). There were twenty-four calls for grinder pump service and 430 security checks. Two traffic crashes were reported along with a theft investigation.
- Marine Patrol resumed during the first weekend of May and twenty hours of patrol was conducted over Memorial Day weekend. Five verbal warnings for 'No Wake' violations were issued along with eleven warnings for expired WPOA boat stickers.
- The gas tank on the patrol boat was changed and a second marine patrol officer has been hired.
- Other Security statistics for the month of May include the issuance of 314 boat stickers, 30 golf cart stickers, 458 RFID renewals, 120 new RFID stickers and 67 new 2018 window stickers.

Other Committee Reports:

Long Range Planning (Judy Yannone/Dave Patton): The focus team has been working with Manager Cahall on the Reserve Assessment document reviewing the original document line by line, based on three categories – Lake, Improvements and Roads.

- Items amended include equipment that is not used routinely and which will not be replaced.
- Some items have already been done or replaced, i.e., the bath house, docks, etc.
- The reserve assessment does not take into consideration that many projects are performed by WPOA employees and that the WPOA does not contract out all of its projects.
- The RA funding methodology to calculate specific increase amounts per member for each account needs revision.

This effort is all based on full funding from dues and assessments. No borrowing of any funds is possible as ORC 5031 does not allow the WPOA to borrow monies at this time.

Lake Advisory (Mike LaPlante): No report

Building (Pete Levermore): No variance requests were submitted to the Committee in May. Ten permits (2 residences, 1 addition, 3 repairs/replacements, 1 pool, 2 storage bldgs. and 1 fence) were approved in May for a total of 60 permits thus far in 2018.

Rules and Regulations (John Buskey):

- WPOA Deed Restrictions/Covenants Notice of Meeting is posted on the website and at the Office, the Lodge and the Rec Center.
- An email address (wpoarevcode@gmail.com) is posted on the web site so people may send questions they may have about the Deed Restrictions/Covenants and or Meeting. Buskey will respond as soon as possible. Property owners may also call Buskey. Call the Office where staff will take the property owner's number and forward it to Buskey. Be informed and vote!
- All of the questions and suggestions from the Roundtables and the emails that were received have been compiled so that the Rules & Regulations Committee can review them when they meet soon.

After the Committee completes its review, Buskey will have a special meeting of the Board to share the Committee's recommendations. It is anticipated that this meeting will be later in June or early July.

(continued on pg. 4)

Election Inspectors/Nominating (Margi Borgman/Dave Patton): **All members of the WPOA in good standing are encouraged to vote on Saturday, June 23, 2018 from 10 am to noon at the Rec Center. A member must present his/her current Member Identification card and a photo ID. Members in good standing shall have only one vote; either an owner or a spouse may vote, but not both. This vote is for the approval or rejection of the proposed revision to Paragraph 8. Adoption of the revised Covenants requires approval by a simple majority of valid ballots.**

Unfinished Business:

- The discussions about UTVs and jet boats that were held at last Monday's workshop meeting will continue at the July workshop meeting.
- Trustee Kitchen asked to present and read a motion. Pres. Redick shared that a WPOA motion from 1989 states that the Board may not vote on any item at a public meeting that has not been discussed during a workshop meeting. Redick suggested that Kitchen let Mgr. Cahall or she (Redick) know that she (Kitchen) would like to be on the agenda of the next workshop meeting to discuss the motion.

New Business:

- Today National Marina Day is being held from 4 pm until 10 pm at the Beach and Marina.
- The next OLCA Fall Meeting will be held here at Lake Waynoka on Wednesday, September 19th and Thursday, September 20th. Ginny Tatman, chairperson for the 'behind the scene' activities of the meeting, is looking for volunteers to help with everything from registration to meals to boat tours. The first meeting for those interested in helping is Saturday, June 23rd at 2 pm in the Lodge.
- Several recommendations from the Lake Advisory Committee regarding the boat patrol have been passed on to Chief Wallace and Mgr. Cahall for consideration.
- *A motion to approve that up to \$8K may be taken from the operational reserve funds to purchase police equipment was made by Crank and seconded by Robinson. A roll call vote was taken and the motion passed unanimously with eight yea votes.*

Motions and Resolutions: none

Community Organizations: *The deadline for submission of information for the July newsletter and other media releases is Monday at 4 pm. The Office Staff appreciates the cooperation of all of the clubs to share the events and activities held in Lake Waynoka. Several representatives of the community organizations then reported information that they deemed necessary to be highlighted. jac*

Campground (Ken Crank): none

Civic Club (Terry Borgman):

- The Civic Club is the host of 2018's Waynoka Day on July 21st. The next organizational meeting is Wednesday, June 13th in the Lodge at 11:30 am (Please note the time change.)
- The Civic Club is sponsoring CPR training classes this coming Thursday, June 14th at 12:30 pm in the Lodge. Please RSVP to Elaine Bolte or Terry Borgman if interested in attending.
- The next meeting of the Club is June 26th at the 7 pm in the Lodge.

WaterSports Club (Pat Raleigh): There were 41 entries in the Car Show on June 2nd and 64 runners/walkers in the 5K Run this morning.

Chapel (Valerie Bullock): All are welcome to the Sunday services which begin at 10 am.

Shawnee Women's Club: Join the Shawnee Women in the Lodge at 10 am on the second Wednesday of each month.

Art Club (Joanne Edwards): none

Lake (Prescilla Redick): none

Book Club (Joy Ackley): Ackley thanked the Maintenance Staff for securing book shelving to the walls and for hanging signs. She also thanked the Mgr. for the new trash cans outside the Lodge.

Ginny Tatman noted that she has discovered, when applying for a Bingo license, that a charitable organization needs to be registered with the State of Ohio. Information can be found on Mike DeWine's website.

Board Concerns: Trustee Kitchen asked Pres. Redick to 'say something about the new restaurant'. Redick shared, "The restaurant is open. She will be printing more carry out menus. Give it a try and see how you like it!" Kitchen then shared the hours of operation.

(continued on pg. 5)

Membership Compliments and Concerns:

*Steve VonWahlde (Lot #4011): VonWahlde shared that his 16 lb. dog was attacked by two larger dogs with electronic collars who had escaped their property last Sunday morning. He noted that Chief Wallace handled the situation in a timely manner citing the owners for failure to control their dogs. VonWahlde urged all property owners ‘to keep an eye on your pets’. (His dog required treatment and is home recovering.)

*Charles Porter (Lot #2047): Porter suggested that other entities (specifically, the Federal Regulatory Commission) be involved in reviewing the work of the Rules & Regulations Committee before the membership votes to approve any of it.

Executive Session for the Executive Committee of the WPOA Board: At 10:20 am Robinson moved and Redick seconded a motion that the Executive Committee go into an Executive Session to discuss a member concern. A yea/nay vote was taken and the motion passed unanimously. At 10:29 am the Committee returned and Koch moved and Yannone seconded a motion to end the Executive Session. A yea/nay vote was taken and the motion passed unanimously.

John Manning of the Russellville Fire Dept. then shared that work continues on the fire house and its kitchen area. **He urged property owners to only burn natural wood and debris when there is no wind and it is not really dry.** Manning also noted that the new fire truck with its new cascade system was in the parking lot for all to see. A ‘boot drive’ will be held in the near future for Austin Caldwell, a Fayetteville firefighter who was recently injured in an auto accident.

Adjournment: A motion to adjourn the meeting was made by Koch and seconded by Robinson. The motion passed unanimously and the meeting adjourned at 10:30 am.

Respectfully submitted, Joanne A. Coker, WPOA Assistant Recording Secretary

WRWSD Board of Trustees Meeting – Mon., May 21, 2018

President Jim Bridges called the meeting to order at 6:00 p.m.

Roll Call: Present: Beard, Bridges, Buskey, Levermore, Purdin, Redick, Plant Supt. Culver & Mgr. Cahall.

Absent: LaPlante (ex.) Others present: Kent Bryan, CT Consultants

Minutes: A motion was made by Buskey and seconded by Purdin to approve the minutes of the May 12th Saturday meeting as distributed via email. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Jim Bridges): none

Treasurer's Report (John Buskey): none

Kent Bryan of CT Consultants updated the Trustees on the status of the information gathered for the reserve study. He shared projected monetary details related to future equipment needs to continue the quality operation of both the water plant and the sewer plant. The Trustees felt that the format of the documents shared was good and very understandable. However, it was determined that a meeting between representatives of the District (Treasurer, Clerk, General Manager, and Plant Supt.) and representatives from the District's accounting firm and CT Consultants needs to be held to make sure everyone has the same understanding of the financial procedures of the District. This meeting will be scheduled in the near future.

Report from the Manager and the Plant Supt. (Paul Cahall & George Culver):

- Cahall and Culver updated the Trustees on the status of the issue of not being able to read about 200 of the water meters electronically as was promised by Master Meter. 'One of the principals of the company' will be coming to discuss this problem with Cahall and Culver.
- Before being interrupted by today's water main break, the staff was 'starting to catch up' with the installation of new water and sewer taps. There are now 802 homes (including those with new approved permits yet to be built) in Lake Waynoka.
- Cahall noted that Lot #2443 located by the Plant and adjacent to the lagoon is owned by the WPOA and is for sale. After discussing this information, Motion #2018-07 was made by Buskey and seconded by Beard to purchase Lot #2443. A roll call vote was taken and the motion passed with five yea votes and one abstention (Redick).
See Motions and Resolutions below for further details. jac
- Cahall presented the details of a possible new hire. The Trustees agreed that Cahall should proceed with the hiring of this individual. The summer help will begin work in another week.

New Business: Pres. Bridges distributed copies of the resignation letter of Asst. Recording Secretary, Joanne Coker.

Old Business: none

Motions and Resolutions: Motion #2018-07 was made by Buskey and seconded by Beard to purchase Lot#2443 (adjacent to the District's lagoon) from the WPOA for \$500 plus related fees. Lot #2443 has a general warranty deed. A roll call vote was taken and the motion passed with five yea votes and one abstention (Redick).

Adjournment: At 7:32 pm a motion to adjourn the meeting was made by Purdin and seconded by Levermore. All were in favor and the meeting was adjourned.

Respectfully submitted, Joanne A. Coker, Assistant Recording Secretary

Ugh! Smelly! No, not there!
Your grinder pump
is not a garbage disposal!

PLEASE do not put *kitty litter* or *egg shells*
 or *fish scales* or *glass or metal objects*
 down the kitchen disposal or any other drain on your property.

If these items are introduced into the WRWSD sewer system
 they could cause the premature failure of your grinder pump
 and the need for costly replacement or repairs. \$\$\$

WRWSD Board of Trustees Meeting – Sat., June 9, 2018

President Bridges called the meeting to order at 9:30 am.

Roll Call: Present: Bridges, Buskey, Levermore, Purdin, Redick, & Mgr. Cahall.

Absent: Beard (ex.) & LaPlante (ex.)

Minutes: A motion was made by Purdin and seconded by Levermore to approve the minutes of the May 21st workshop meeting as read. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Bridges): none

Treasurer's Report: (Buskey)

- At 42% through the financial year the District's incomes and expenses are as expected. Payment for eight water and sewer taps has been made and payment for two more will be incoming soon.
- *Buskey made the motion to approve the financial reports from May 31st, 2018, as distributed by email. Levermore seconded the motion. A yea/nay voice vote was taken and the motion passed unanimously.*

Manager's Report (Cahall):

- A meeting was held with representatives from Master Meter. Their offer, as to how to correct the issue of not being able to read about 200 of the water meters electronically, will be discussed during the next workshop meeting on June 25th.
- The staff is presently 'caught up' on the installation of water and sewer taps for new homes in Lake Waynoka.
- A meeting of representatives of the WRWSD, the CPA firm and CT Consultants will be held this coming week to discuss disparities between the financial procedures used by the District and those used in the reserve study.
- Lot #2443 has been purchased from the WPOA and the transfer of the property is in progress.

Garden Club to Demo Tower Gardens

The Lake Waynoka Garden Club will be touring the Tower Gardens of Chuck & Darla Miller, 402 Waynoka Dr., Lake Waynoka, on Tuesday evening, July 10th, 7:00 p.m. Tower Gardens, a vertical, aeroponic growing system, allows you to grow up to 20 vegetables, herbs, fruits and flowers in less than three square feet—indoors or out. Tower Gardens are perfect for gardeners with limited space, like many living at Lake Waynoka. For more information call Darla at 937-725-3755 or Louis at 937-205-7916 or visit <http://lakewaynoka.towergarden.com>. This event is open to everyone, including local restaurants, greenhouses and nurseries. You do not have to be a member of the club to attend this program.

LAKE WAYNOKA BASS TOURNAMENT RULES

1. Interpretation of the following rules shall be the sole responsibility of the tournament directors.
2. Any style of boat may be used (canoe, pontoon, etc.) if the following criteria is met:
 - a. Owned by a member in good standing and Lake Waynoka registered for the current year with attached sticker.
 - b. Has an operating aerated live well. No stringers or baskets are permitted. Live wells must be checked by a tournament official prior to tournament start time.
 - c. Is covered by a minimum of \$100,000 liability insurance. By payment of entry fees the boat owner is certifying they have insurance coverage.
3. The Lake Committee reserves the right at their sole discretion to exclude any angler from participation.
4. This is a Team event with a maximum of two anglers per boat. Entrants may launch anywhere, but must be at tournament headquarters thirty (30) minutes prior to the scheduled take off time.
5. Only Largemouth, Smallmouth and Spotted bass will be eligible. A total of five (5) fish, twelve (12) inches or longer may be weighed per boat. Weight in pounds and ounces will determine winners. In the event of ties in weight, order of finish will be determined by (a) the boat having the most fish (b) the largest fish (c) flip of a coin.
6. Only five (5) bass can be in the team's possession at any time. Culling must be done immediately. No undersized bass may be kept at any time. All fish must be released after being weighed.
7. Bass must touch the 12" line with mouth closed on the official tournament measurement board. Any dead bass brought to the scales will **NOT** be weighed or counted. A one (1) pound penalty will be charged for each fish less than twelve (12) inches weighed in. Courtesy board provided.
8. All bass must be brought to the weigh in scales before the boat is removed from the lake. No bass will be weighed if brought to the weigh in scales from a trailered boat.
9. Life jackets must be on and zipped at all times when the outboard engine is running. The boat operator must have the kill switch cord attached to their life jacket at all times the engine is running.
10. **OBEY** all no wake markers—idle speed only in these areas. Safe boating conduct is a must. All WPOA Rules & Regulations and State boating regulations will be strictly adhered to, subject to disqualification.
11. All participants are expected to exercise good sportsmanship and courtesy, including maintaining at least 50 yards between participating boats.
12. The entire lake becomes no wake at dark (indicated by the automatic lights on the dam). Both bow and stern lights must be in good working condition and must be turned on from sunset to sunrise.
13. No team member can depart from their boat at anytime during tournament hours unless returning to tournament headquarters. (Marina dock).
14. Intoxication will not be tolerated. Alcoholic beverages and non-medically necessary drugs are not permitted in the boat.
15. Only artificial lures may be used during the tournament. No trolling is permitted.
16. Lake Waynoka is **OFF LIMITS** for fishing to all tournament participants 24 hours prior to the scheduled tournament start time. Violation of this rule will result in automatic disqualification.
17. Team number tokens must be hung back on the display board by team members only at or before the official time has been reached to end the competition. Late arrivals will be penalized 1 pound per minute for each minute they are late. Five minutes late will disqualify a team's complete weight for the tournament.
18. No underwater cameras will be permitted during the tournament.
19. All protests must be lodged with the tournament director **PRIOR** to any announcement of payouts.

ANY VIOLATION OF THE ABOVE RULES WILL DISQUALIFY A TEAM'S WEIGHT

BOATERS PLEASE TAKE NOTICE

Below are a few excerpts from the “General Rules & Regulations” (Volume 1) on boating, fishing, skiing/tubing and swimming. Remember, these rules are in place for everyones safety, protection of our shorelines, and enjoyment of our lake.

C. LAKE BOATING AND FISHING GUIDE

The dam and all coves within 50 feet of the shoreline are NO WAKE (5mph) zones.

During lake lowering, when the lake is lowered, during refill and during periods of dangerous water (water overflowing shorelines and/or docks) the maximum boat speed is NO WAKE.

NO WAKE is the slowest speed possible to maintain steerage and maneuverability. Generally this is 5 mph.

The entire lake is a NO WAKE zone between sunset (dusk) and sunrise. When at least 1 light is on at the dam the entire lake is no wake (lights come on around sunset and are off at sunrise). Skiing is permitted in the wake area only.

Boating and fishing are NOT allowed inside the buoyed-roped off beach swimming area.

F. SKIING-TUBING

WPOA requires that all boaters become educated with the RULES OF THE ROAD for boaters and the regulations of the lake.

Any and all boats must go counter-clockwise around the lake.

The buoys mark hazard and NO WAKE areas.

Skiing and tubing is permitted in the wake only areas between 8:00 a.m. and dusk.

Boats may pull one (1) skier or one (1) tube. No water skiers or tubers are allowed to “drop off” from the shoreline or a dock.

Tubes are designed for one or more passengers. Tubes may not have more passengers than the designed occupancy.

When pulling a skier or a tube there must be two (2) people in the boat. One must act as an observer and this person must be 12 years of age or older.

When tubes are not in use (or floats) must be removed from the water, not floating out in the lake.

No person is permitted to be on skis or in tubes during refueling.

G. SWIMMING

Swimming is not permitted in the main lake in the wake area (ski-tube).

Swimming is allowed in the coves other than the entrances. Fifteen (15) feet on either side of the centerline of the coves is reserved for boat right-of-way. Common sense must be used depending on the size of the cove. Boats have the right-of-way in small coves.

Floating trampolines, slides, etc. are not allowed on the main lake wake area. Trampolines must not obstruct boat traffic in the coves. The lake patrol has total control over the positioning of trampolines in the coves. Trampolines should be removed from the lake or secured to the shoreline when not being used or leaving the lake.

Swimming in the lake and at the beach is at YOUR OWN RISK at all times
