- ◆ The operating income for the year at the end of October was \$2,180,000.00 and that is 94% of the plan for 2021. The expected income at the end of October was 92% so the WPOA is 2% over budget.
- ◆ The operating expense for the year at the end of October was \$1,924,000.00 and that is 85% of the plan for 2021. The expected expense was 85% so we are right on budget.

### *Allocated Assessment Funds*

- ◆ The income for allocated operating assessments in October was \$9,000.00.
- ◆ Assessment account expenditures in October totaled \$61,000.00 with paving and Aqua Doc.

- ◆ Ohio Outdoor Fire Laws: What you need to know: This law prohibits open burning statewide in unincorporated areas during the months of March, April, May, October and November between the hours of 6am and 6pm. This ban includes burning of yard waste, trash, and debris, even in a proper burn barrel. During spring, wildfire danger is high before plants have turned green, and in fall, fire danger is high due to abundant dry leaves and dead grass. Warm, windy weather in both seasons also contribute to elevated fire risk. Call your fire department for info about local burning regulations. Call ODNR Forestry at 877-247-8733 with questions.

### Election Inspectors/Nominating (Margi Borgman/Dave Patton/Nan McHugh, Nominating Chairperson):

Ballots for the 2021 WPOA and WRWSD Boards of Trustees election have been mailed. The Deadline for returning ballots is Monday, November 29. Please direct any questions concerning your ballot to Nan McHugh, 614-216-8657. *Ballots have been mailed with 5 candidates running for the 3 open positions. Ballots are due November 29<sup>th</sup> by 4pm to be eligible to be counted. There were two ballots, one for the WPOA and one for the WRWSD. They are color coded so please be sure to keep them separate.*

**Lake Advisory (Todd Holt):** \$5,000 worth of fish were placed in the lake last week including hybrid striped bass, largemouth bass and minnows. An anonymous donor is contributing another \$2,000 to purchase fish.

**Long Range Planning Committee (Terry Borgman/John Barton):**

1. The LRPC has presented the expenditure forecast for this year, 2021 to the WPOA board.
  - a. At this time, the forecast expenditures through December 2021 are expected to be within \$1,000-\$2,000 of the planned expenditures for **capital assessment accounts** (improvements, lake and roads).
  - b. In December, the WPOA will close its 2021 books and the account final numbers will again be compared to the January planned budget.
  - c. **Why is this important, the amount of savings from the 2021 year will become a carryover to the 2022 year.**
2. The Lodge Facilities Feasibility Evaluation has been published in the Lake Waynoka website.
  - a. **Open the website, choose document, then choose reports. The report is named "Lodge Feasibility Evaluation – October 2021".**
  - b. The presentation is 14 slides which contain an executive summary of the research findings and 10 detail slides providing information supporting those conclusions.
  - c. The committee has provided a good deal of transparency from the community to the WPOA board to the needs of the Lake Waynoka community.
3. Next actions for the WPOA board to consider:
  - a. The priority of the community needs (lake, improvements, and amenities).
  - b. The budget to meet each capital assessment project.
  - c. How to finance the new capital assessment projects as needed. The lodge facilities are 47 years old. Nothing lasts forever.
  - d. We can keep remodeling the facilities, but the community keeps growing and the building will become too small to accommodate the activities that are already taking place. The buildings are not functional (capacity & layout) even if we put a new face on them.
4. We are planning a short presentation to the membership in November.

*Mr. Borgman presented a report on the Lodge Feasibility Study. Over 150 people in the community showed up for in-person or Zoom meetings. The report has been submitted to the Board and will be posted to Lake Waynoka media pages. He encouraged all members to read it. Special thank you to the committee: Michael LaPlante, Pete Levermore, Greg Stover, Dan Federico, Pat Helm, Jim Helyer and Terry Borgman. President Beard expressed the Board's appreciation to the LRPC's work and time that has gone into the Lodge, Lounge and Restaurant studies.*

**Rules and Regulations (Greg Stover/Jenny Ellis):** We had hoped to bring something to the Board this year but we are doing a thorough review and trying to meet the community needs. We hope to have something for the Board to review early in the new year.

**Unfinished Business:** None

**New Business:** There was an incident at the Campground during the Halloween event which prompted Motion #335 below.

**Motions and Resolutions:** Motion #335 was made by Beard and seconded by Purdin. It is moved to suspend the membership privileges for the campground of member Jamie L. Owens for the actions of his invited guests and that required a response of three Law Enforcement agencies and the arrest of one of his guests. The period of the campground suspension will be for two years effective 13 November 2021 and end 1 November 2023. A roll call vote was taken, including two proxy votes, and the motion passed unanimously. President Beard stated that Mr. Owens has 30 days to appeal the decision and it will go before the entire Board.

**Community Organizations:** *Please see the newsletter for updates.*

**Board Comments and Concerns:** None

**Membership Compliments and Concerns:**

- Terry Borgman – We have two openings for the Long Range Planning Committee. If you are civic minded and will participate in activities we provide for the Board, please contact me.
- Doris Kitchen – Inquired if the investigation of the campground incident was ongoing. Chief Wallace stated that it is still an open investigation. She brought up another incident at the Pavilion that same night and that many people witnessed the disturbances. President Beard encouraged her to give any information she has to Chief Wallace as they are having trouble getting people to talk. She asked for there to be transparency to the community in the major dam repairs such as what is the issues, the plans for repair and the cost associated. Mgr. Cahall said that his report gives the current update. The Engineers plans have been submitted to the ODNR for review. They have 45 days to respond. Until that happens, work cannot begin and we will not know anything further until we get the report.
- Linda Stover – Asked about the family pool regulations and if anything had been decided. Mgr. Cahall said that the pool will be open to reserve for families Monday – Friday until 3pm at which time it will be open swim. She asked that they consider doing the same on the weekend.
- Sandy Beard – There is a giving tree at the Lounge. All donations benefit the Brown County Job and Family Services. They have identified 104 needy families.
- Connie Armstrong – She is highly disappointed in the campground incident, the fact that no one is talking and that the campground is closed for the season making it harder to investigate. There are known issues back there and there is no reason to keep putting it off.
- Gordon Ellis – One person in the campground incident was arrested and charged with a felony for assaulting an Officer.
- Jim Hewes – Asked for explanation of the events at the campground. Chief Wallace stated that 10 people were involved in a fight after the trick or treating event resulting in one arrest. The pavilion incident was not reported.

**Adjournment:** The motion to adjourn was made by Taylor and seconded by Ellis. A yea/nay vote was taken. The motion passed unanimously and the meeting was adjourned at 10:33am.

**Treasurer's Report (John Buskey/S. Levermore):**

- We have two CDs that are maturing at the beginning of November. One is for legal matters. It has a balance of \$17,822.00 and will be rolled over for twelve months. The second is sewer reserves. It has a balance of \$208,046.78. Kay Bundy is researching several bank CD rates to get us the best deal. It will be rolled over for twenty-four months.
- Treasurer Buskey, Mgr. Cahall and the WPOA have been working on the WPOA contract for 2022 and expect an increase of \$82,000 with the addition of one new position and an annual pay increase for the WRWSD employees. At this time, we are unsure if that number will increase depending on health insurance costs. There are a number of options to offset the cost that we will be looking at.

**Manager and Plant Superintendent Report (Paul Cahall & Supt. Culver):**

- We had reports of cloudy water. When we were on Brown County water, there was a leak in the water line in Russellville. The cloudy water posed no health risks. We are back on our own water system now that work on the interior of the water tower has been completed.
- Renovations at the Water Plant continue. The furniture has arrived, the walls are being painted and the kickplates will be installed soon. After the WRWSD Board election, we will schedule a tour of the facilities for the Board so they can understand how the operations work.
- We are still waiting for the exterior of the water tower to be painted. The inside work has been completed.
- The new grinder pumps have arrived which covers the outstanding installations. We have placed an order for ten more units to cover future needs since they are backordered 3-4 months.
- Supt. Culver continues to interview applicants for the WRWSD open position.

**Old Business:** None

**New Business:** Trustee S. Levermore reported on an Energy Savings Seminar that he and Treasurer Buskey attended. It was reported that most places run at 20% and we are well below that. Supt. Culver will gather the information requested so we can make sure we are running efficiently.

Levermore to approve the following 2021 Budget amendments: budgeted amount \$1,345,345.00; amended amount \$1,365,745.00; difference \$20,400.00; net income -\$6,796.00. The book we will discuss on December 14 is "March" by Geraldine Brooks. This book will be available in the Sardinia Library. Here is a brief introduction to the book we are going to read: March (2005) is a novel by Geraldine Brooks. It is a novel that retells Louisa May Alcott's novel Little Women from the point of view of Alcott's protagonists' absent father (His name is Mr. March). Brooks has inserted the novel into the classic tale, revealing the events surrounding March's absence during the American Civil War in 1862. Mr. March has volunteered to serve in the Civil War as a chaplain, leaving his wife and daughters to fend for themselves, and plunging them into a degree of poverty. **COOKBOOKS FOR SALE:** We still have books so please consider purchasing one or two as holiday gifts or for any occasion.
