****The WPOA Board held a closed regular meeting on January 9th in the Lodge. Social distancing was observed and masks were worn by all attendees.**

President Beard called the meeting to order at 11:33am.

Roll Call: Present: Beard, Crank, Holt, Purdin, Raleigh, Redick, Taylor, VonWahlde, Mgr. Cahall

Absent: Ellis (ex.)

Minutes: Taylor made a motion and Purdin seconded to approve the 12/12/20 minutes as printed in the newsletter. A yeay/nay vote was taken and the motion passed unanimously.

President's Report (Charlie Beard): There was a Zoom webinar on December 2nd with Terry Borgman, Greg Stover and Pat Helm concerning the dredging report. There will be another webinar on February 4th from 2-3pm. If you are interested, please email the Long Range Planning Committee your name and number. They will respond with the Zoom access information. The Board agreed to consider a motion at the February meeting to add a "catch and release" rule for all largemouth bass.

Treasurer's Report (Vern Taylor):

Operating funds

- ♦ The total operating income for the month of December was \$82,000.00.
- ♦ The total operating expense for the month of December was \$150,000.00 with no unexpected expenses.
- ♦ The operating fund balance at the end of December was \$708,780.39.
- ♦ The operating income for the year at the end of December was \$2,135,000.00 and that is 98% of the plan for 2020.
- ♦ The expected income at the end of December was 100% so the WPOA is 2% under budget.
- ♦ The operating expense for the year at the end of December was \$1,977,000.00 and that is 92% of the plan for 2020.
- ♦ The expected expense was 100% so we are 8% under budget.

Allocated Assessment Funds

- ♦ The income for allocated operating assessments in December was \$8,000.00.
- ♦ Assessment account expenditures in December totaled \$23,000.00.
- ♦ The balance of all allocated assessment accounts at the end of December was \$401,984.84.

Invested Funds

- ♦ Invested reserves at the end of December totaled \$508,992.24.
- Total cash on hand at the end of December was \$1,619,757.47.

Manager's Report (Paul Cahall):

- ♦ WRWSD has completed its first draining of the lagoon but we are leaving the lake valve open until around the 15th of February. We have to close it at that time to allow the lake time to refill before draining the lagoon again in April.
- ♦ We are hoping to take the lake down about 5 to 7 feet depending on the weather this winter.
- ♦ In mid-January, inspections will take place on the spillway. This will require digging inspection holes and concrete bore samples taken. The engineers will then give the board recommendation on maintenance to be done to extend the life of the 50 year old spillway.
- ♦ There has been a new storage building placed behind the administration building. We are clearing out a storage room in the administration building and converting it into an office space for our police department. This building will be used for storage for the security department as well.
- ♦ Maintenance has been dressing up all the gravel areas in the recreation areas around the lake along with cleaning brush and trees from ditches. They have also replaced a culvert at Little Chief and erosion control on the shoreline.
- ♦ At the time I am writing this, Brown County has the 5th highest rate of spread in the state. Because of this uptick in COVID 19 spread and constantly changing rules please watch the Web Site and Facebook for updates concerning WPOA sponsored and club sponsored events. If these events change or are cancelled, this is where we will make those announcements. We are in constant contact with the Brown County Health Department for updates on what we can and cannot do.

Other News from Security

- ◆ During the Month of December, on 12-2-2020, officers were dispatched to a residence about a trespassing complaint, during the investigation, one individual chose to lie to officers about his identity. When confronted, he confessed his real identity and was subsequently charged with obstruction of official business.
- ◆ Officers received several dispatches concerning well-being checks for sick or elderly individuals. All were located and found to be ok.
- ◆ The Lake Waynoka Police and Security Department would like to remind everyone that Vacant House Checks can be done year-round, please visit the Administration Office to fill out a form if you are interested. Checks cost \$5 per check per day. During a check, officers will walk around residences to check doors and windows to see if they are secure. Checks are also done at random times to ensure no patrol patterns can be recognized.
- ◆ A special thank you to all the individuals who dropped off baked goods and sweets to our office during the Holiday Season! We certainly enjoyed them!

- ◆ Motion #327 made by Purdin and seconded by Taylor. It is moved to accept proposed 2021 Capital Budget with \$702,000.00 in income \$475,600.00 in expenses. The Capital budget includes the following expenses: Roads Improvement \$179,000.00, Campground Improvement \$45,000.00, Improvement Assessment \$150,700.00, Lake and Dam Improvement \$100,600.00. A roll call vote was taken and the motion passed unanimously.
- ◆ A motion was made by Taylor and seconded by Holt to approve the following variances: Lot #1868 for a 4' dig out for a single 12' wide by 24' deep boat slip; Lot #1844 for a 3' dig out for a double boat slip; Lot #453 for a 4' dig out required for a double boat slip both 12' wide with 4' walkway in the middle; Lot #2623 for a 4'x12' dig out; Lot #3187 for a 4'x24' dig out pending Building Committee approval. A yea/nay vote was taken and the motion passed unanimously.
- ◆ A motion was made by Holt and seconded by Raleigh to approve a double boat slip variance for lot #1883. It is a 17' dig out for one 12' wide boat slip and 9'-15' for the other slip. Discussion: it is a narrow lot at the end of Geronimo Cove and their boat has been damaged by other boats and their only option is to dig into their own property. The recommendation from the Building Committee is, if approved, they would like it to contain a concrete bulkhead. A roll call vote was taken, and the motion failed with 4 nays (Taylor, Crank, Purdin, VonWahlde), 3 yeas (Beard, Raleigh, Holt) and 1 abstention (Redick).
- ◆ A request was entertained to split Lot #2599 and add the property to lots 2598 and 2600. With no one making the motion, it fell to the floor.

The Lodge can be rented. Renters are given a list of State Guidelines to follow and have to vacate the building by 10pm. The facilities have been visited by the Brown County Health Department and have been found to be in compliance.

A FRIENDLY THOUGHT FROM THE LAKE ADVISORY COMMITTEE:

PROPERLY MANAGED SHORELINES AND LAKE WATERS ARE OF VALUE TO ALL PROPERTY OWNERS IN LAKE WAYNOKA! Obviously, they add to the value of the waterfront properties. However, they are also just as important to the value of the homes and lots located off the water! **Who wants to swim or boat in a lake whose waters are polluted?... Not a prospective buyer!**

A FRIENDLY TIP FROM THE LAKE ADVISORY COMMITTEE:

Landscape your shoreline with conservation in mind.

Rock your shoreline with the appropriate size rock to prevent excessive erosion. Use native plants and grasses in beds near the Lake to help hold the soil in place.

Please note that the Library will be moving to the Media Room from Friday Jan 22 thru Tues 26. The Library will not be available during that time.
