WPOA Board of Trustees Saturday Meeting – 12/12/2020

***Anyone who would like to receive an e-mail blast of the report summaries, on the Friday prior to the meetings, needs to submit their e-mail address to the Office staff.*

***Any updates from the Friday email are indicated in **italics** of the summary of each report.*

***The deadline for submission of information for the monthly newsletter and other media releases is the Monday following the WPOA meeting at 4pm. The Office staff appreciates the cooperation of all of the clubs to share the events and activities held at Lake Waynoka.*

****The WPOA Board held a closed regular meeting on December 12th in the Lodge. Social distancing was observed and masks were worn by all attendees.**

President Beard called the meeting to order at 10:52am.

Roll Call: Present: Beard, Crank, Ellis, Holt, Purdin, Raleigh, Redick, Taylor, VonWahlde, Mgr. Cahall

Minutes: Crank made a motion and Taylor seconded to approve the 10/10/20 minutes as printed in the newsletter. A yeay/nay vote was taken and the motion passed unanimously.

President's Report (Charlie Beard): President Beard read the following: Regarding closing the meeting, I am really sensitive to the COVID-19 crisis. Three members of my family have contacted covid and were in quarantine. There are several active cases in our community and I do not want to be responsible for the further spread of the virus. There have been 455 cases reported in the last two weeks in Brown County. Although I would like nothing more than to have a normal meeting, our Code of Regulation mandates we are only required to have one open meeting a year. The Rec Center, Lodge and Lounge are managed by our General Manager. The Restaurant is leased under different provisions with the Brown County Health Department inspecting and regulating them. Our State Legislatures recently passed House Bill 404 which limits public attendance at all public meetings. Although we are not governed by the State Legislature, I believe it sends a message throughout Ohio that they do not want public attendance at their meetings. We will be videotaping the meeting today and showing it on the Waynoka website. Any member concerns that are brought up prior to the meeting will be addressed. I have spoken to the author of the dredging report and he is willing to address emails, questions or comments and willing to have a webinar on the report.

Treasurer's Report (Vern Taylor):

Operating funds

- The total operating income for the month of November was \$76,000.00.
- The total operating expense for the month of November was \$133,000.00 with no unexpected expenses.
- The operating fund balance at the end of November was \$768,958.08.
- The operating income for the year at the end of November was \$2,033,000.00 and that is 93% of the plan for 2020.
- The expected income at the end of November was 96% so the WPOA is 3% under budget.
- The operating expense for the year at the end of November was \$1,825,000.00 and that is 85% of the plan for 2020.
- The expected expense was 92% so we are 7% under budget.

Allocated Assessment Funds

- The income for allocated operating assessments in November was \$8,000.00.
- Assessment account expenditures in November totaled \$49,000.00.
- The balance of all allocated assessment accounts at the end of November was \$470,177.68.

Invested Funds

- Invested reserves at the end of November totaled \$483,776.39.
- ⇒ Total cash on hand at the end of November was \$1,722,912.15.

Manager's Report (Paul Cahall):

- We have opened the valve of the main lake to drain the lagoon for WRWSD. We are hoping to take the lake down about 5 to 7 feet depending on the weather this winter.
- Long Range Planning Committee presented the capital budget for 2021. The Long Range Planning Committee recommendations will be considered by the board in December. We expect to pass the capital budget in January.
- In January 2021, inspections will take place on the spillway. This will require digging inspection holes and concrete bore samples taken. The engineers will then give the board recommendation on maintenance to be done to extend the life of the spillway.
- All recreation area bathrooms and the beach bath house have been winterized and closed for the winter. These areas will reopen April 1st next year.
- Because of the uptick in COVID 19 and constantly changing rules, please watch the Web Site and Facebook for updates concerning WPOA sponsored and club sponsored events. If these events change or are canceled, this is where we will make those announcements. We are in constant contact with the Brown County Health Department for updates on what we can and cannot do.

- *Trustee Holt asked if the Marina boat ramp will be accessible since the lake will be lowered around 7 feet. Manager Cahall answered yes.*

Election Inspectors/Nominating (Margi Borgman/Dave Patton/Nan McHugh, Nominating Chairperson): None

Lake Advisory (Todd Holt/Jeff Huseman): None

Long Range Planning Committee (Terry Borgman/Steve VonWahlde): None

Rules and Regulations (John Buskey/John Barton/Jenny Ellis): None

Unfinished Business: None

New Business: Trustee Raleigh, Co-Chair of the Building Committee, stated that they received a letter from a member concerned about the number of metal sided homes being built in the community and other issues. Trustee Raleigh rode with the member to view the homes and complaints such as doors not matching. There is nothing in the Code specifying the type of homes that may be built nor anything about the door color and trim matching. The Building Committee met with Marcus Mast. People are building the homes for the open concept. All owners are given a choice of vinyl or metal siding. The metal siding has a 40 year warranty making them very popular.

Motions and Resolutions:

- ♦ Motion #325 was made by Beard and seconded by Purdin to grant a variance to the owner of lot 2047 for the residence to be less than 40 feet from the road right of way as built. Discussion: Trustee VonWahlde asked if the Board was able to grant a variance of this nature. Mgr. Cahall replied that Attorney John Jolly said yes, we can but cautioned against making it a habit to get around the Rules and Regulations. This is an existing home that was built 16 years ago. A roll call vote was taken and the motion passed unanimously.
 - ♦ Motion #326 was made by VonWahlde and seconded by Raleigh to accept the proposed 2021 budget with \$2,325,015.00 in income, \$2,272,090.00 in expenses with an expected surplus of \$52,925.00. The budget includes the following changes in the dues and fee structure:
 - ♦ Dues – Increase \$15.00 from \$385.00 to \$400.00
 - ♦ Multi Lot Fee – No increase
 - ♦ Home Owner Fee – Increase \$5.00 from \$155.00 to \$160.00
 - ♦ Annual Mowing Fee – Increase from \$80.00 to \$90.00
 - ♦ Guest Cards – No increase
 - ♦ RFID Stickers – No increase
 - ♦ Annual Dock Rental – No increase
 - ♦ Annual Boat, Golf Cart and UTV Registration – Increase from \$45.00 to \$50.00
 - ♦ Winter Camper Storage Fees – Increase \$25.00 from \$125.00 to \$150.00
 - ♦ Camping Fees – Increase \$0.50 a night on all full-time camping sites
 - ♦ Temporary Campsites – Increase to \$20.00 per night with \$10.00 of that going to the Campground Capital Fund.
- A roll call vote was taken and the motion passed unanimously. *Mgr. Cahall stated that a homeowner will pay the same amount as last year and any lots that the WPOA mows will increase by \$5.00.*
- ♦ A motion was made by Taylor and seconded by Raleigh to move \$25,000 from Operational Reserves to the CD Reserves Fund. A yea/nay vote was taken and the motion passed with 8 yeas and 1 nay (Holt).

Community Organizations: *Please see the newsletter for updates.*

Board Comments and Concerns:

- ♦ Vice President Ellis congratulated the newly elected Board members and reaffirmed her commitment to work hard for all members and to keep the community moving forward.
- ♦ Trustee Raleigh stated that the monthly Building Report will now contain a line item portraying the amount of money being invested on new homes in Lake Waynoka. In the past 12 months, an estimated \$6,000,000 has been spent on new home construction.

Membership Compliments and Concerns: None

Adjournment: The motion to adjourn was made by Taylor and seconded by Crank. A yea/nay vote was taken. The motion passed unanimously and the meeting was adjourned at 11:22am.

WRWSD Board of Trustees Monday Meeting – 11/30/2020

President Bridges called the meeting to order at 7:00 pm.

Roll Call: Present: Beard, Bridges, Buskey, Hagen, LaPlante, Levermore, Redick, Mgr. Cahall,
Absent: Supt. Culver (ex.)

Minutes: A motion was made by Levermore and seconded by Hagen to approve the 10/26/20 WRWSD meeting minutes as distributed by email. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Jim Bridges): None

Treasurer's Report (John Buskey): We are in good shape financially. A few of the line items were over budget so we will be voting on an amended 2020 budget (*see Motions & Resolutions below*). Work has begun on the 2021 WRWSD budget and Treasurer Buskey presented a draft of the budget for discussion. Most notable increases come from employee health insurance and wage increases. In 2020, we budgeted for 20 new home water and sewer tap installations. We decided to carry that number to the 2021 budget. We plan to bring the 2021 budget forward for a vote at the December meeting. We are planning to add monies to the water and sewer reserves. If current trends continue, we will be able to pay off the USDA Bonds in 2030 which will save us over \$85,000 in interest.

Manager and Plant Superintendent Report (Paul Cahall & Supt. Culver):

The painting of the water tower is continuing. The interior of the tank will be drained and waxed once the outside is finished.

Dan is insured to drive the truck.

The lake valve will be opened and lagoon draining will begin December 1st.

We filled an open WRWSD position.

We will begin working on the 2021 Capital budget for the WRWSD very soon.

Motions and Resolutions:

A motion was made by Buskey and seconded by Levermore to approve the October 31st financial statement as distributed by email. A yea/nay vote was taken and the motion passed unanimously.

Motion # 2020- 10 was made by Buskey and seconded by Beard to approve the following adjustments to the 2020 Budget increasing the income by \$54,522, expenses by \$14,875 and a net income of \$106,930. A roll call vote was taken and the motion passed unanimously.

Old Business: None

New Business: None

Board Member Concerns: There was discussion about the monthly December 12th meeting and the possibility that it may be cancelled. The Board agreed that they can take care of all business at the December 14th meeting which has been moved up from December 28th due to the holidays.

Adjournment: The motion to adjourn was made by Levermore and seconded by LaPlante. All were in favor and the meeting was adjourned at 7:25pm.

ORGANIZATIONS SPOTLIGHT

January 2021

[WPOA EVENTS & MARKETING]: GINA DASH~ Office: (937) 446-3232 or Cell: (937) 515-3106:

Thank you all for celebrating Lake Waynoka's 50th Golden Anniversary and making 2020 a special but different year to remember. We hope this new year 2021 will bring us better health, wealth, togetherness of family and friends, and be successful as we prosper in life.

***FRIENDLY REMINDER TO COMMUNITY ORGANIZATIONS:** The deadline for the newsletter submission each month and other media releases is the **TUESDAY** after the monthly, WRWSD & WPOA board meetings. The office staff appreciates the cooperation of all the clubs to share their events and activities held in Lake Waynoka. Get all your up-to-date detailed information and changes on: www.facebook.com/LakeWaynoka and www.lakewaynoka.com

HAPPY NEW YEAR 2021!

[ART CLUB]: JOANNE EDWARDS~ (513) 582-8489: The Art Club's monthly meeting is the first Monday of every month from 10:00 a.m.– 12:00 p.m., September – May, either in the Lodge or the Conference Room, however, due to COVID- 19, we may not be meeting. Please contact Joanne before guest attending so I will be able to let you know if the meeting will be taking place. We are planning on having a different Art Activity each meeting for the first hour and a half, with our regular meeting to follow. We will be using the Lodge with masks and social distancing until further notice. Check Facebook to see what we will be doing!! **The third Monday from 10:00 a.m. – 12:00 p.m. is reserved to work on sculpture at the Lodge**, to be placed at Little Turtle for our latest beautification project, however, we have currently cancelled these classes as we are waiting until it is safe to resume. The fourth or final Monday of the month is reserved for our executive board to meet. We regret having to have cancelled Uncorked on Canvas and our Christmas party this year. Those still holding paid tickets for Uncorked, will be applied to our 2021 Uncorked on Canvas on March 20, 2021. **The evening of January 16th, the art club will sponsor Kevin Miller, a certified Bob Ross instructor.** Class is limited to 30 for this highly sought out oil painting class. Cost is \$45. Oil paints and all supplies provided. BYOB. Please contact Joanne to reserve your spot. We may, however, have to postpone this event due to COVID- 19. I will contact those who have reserved a spot to let them know if this event has to be postponed, and what the new date will be. **Watch for information on our latest spring project, of beautifying our Lake Waynoka Fire Hydrants!**

We will follow the same process for our January book "Comfort and Joy" by Kristin Hannah on Jan12th if the Zoom meeting works well. **This book will be available at the Sardinia Library the week of Dec 14.** Cookbooks are available for \$15. A FRIENDLY THOUGHT FROM THE LAKE ADVISORY COMMITTEE:

PROPERLY MANAGED SHORELINES AND LAKE WATERS ARE OF VALUE TO ALL PROPERTY OWNERS IN LAKE WAYNOKA! Obviously, they add to the value of the waterfront properties. However, they are also just as important to the value of the homes and lots located off the water! Who wants to swim or boat in a lake whose waters are polluted?...
Not a prospective buyer!
