OHIO BOATERS SAFETY COURSE 2021

The Waynoka WaterSports Club will be teaching an Ohio Boating Education Course at 8am on Saturday, March 20th at the Lake Waynoka Lodge. Cost of this course is **\$5.00** and can be paid at the door. The law prohibits any person born on or after January 1st, 1982, from operating a vessel powered by more than 10HP unless the person has successfully completed either a boating education course approved by the National Association of State Boating Law Administrator (NASBLA) or a proficiency examination approved by ODNR Division of Watercraft.

You can pre-register for the class by calling **ODNR Watercraft** at **513-734-2730** or **Steve Johnson** at **937-515-8164**. Be sure to reference the date and location for above class. This class is open for any age and not just for Lake Waynoka boaters.

****The WPOA Board held a closed regular meeting on February 13th in the Lodge. Social distancing was observed and masks were worn by all attendees.**

Vice President Ellis called the meeting to order at 11:36am.

Roll Call: Present: Crank, Ellis, Redick, Taylor, VonWahlde, Mgr. Cahall
Absent: Beard, Holt, Purdin, Raleigh (all are excused)

Minutes: Crank made a motion and Von Wahlde seconded to approve the 1/9/21 minutes as printed in the newsletter. A yeay/nay vote was taken and the motion passed unanimously.

Vice President's Report: A moment of silence was held for past Trustee and active member of our community George Kinney.

Treasurer's Report (Vern Taylor):

Operating Funds

- ♦ The total operating income for the month of January was \$136,000.00.
- ♦ The total operating expense for the month of January was \$127,000.00 with no unexpected expenses.
- ♦ The operating fund balance at the end of January was \$703,059.00.
- ♦ The operating income for the year at the end of January was \$136,000.00 and that is 6% of the plan for 2021. The expected income at the end of January was 5% so the WPOA is 1% over budget.
- ♦ The operating expense for the year at the end of January was \$127,000.00 and that is 6% of the plan for 2021. The expected expense was 8% so we are 2% under budget.

Allocated Assessment Funds

- ♦ The income for allocated operating assessments in January was \$43,000.00.
- ♦ Assessment account expenditures in January totaled \$2,000.00.
- ♦ The balance of all allocated assessment accounts at the end of January was \$442,057.92.

Invested Funds

- ♦ Invested reserves at the end of January totaled \$512,696.76.
Total cash on hand at the end of January was \$1,657,813.68.

Manager's Report (Paul Cahall):

- ♦ The lake valve is open until around the 15th of February. We have to close it at that time to allow the lake time to refill before draining the lagoon again in April. How fast the lake fills back up has everything to do with the weather.
- ♦ The first part of the spillway inspection was completed in mid-January. The engineers have decided to delay the digging of inspection holes for the walls. They will be scheduling that inspection for early spring.
- ♦ We have received permission from ODNr to add 100 grass carp to the lake. We will put them in shortly after completing the lagoon drain in April.
- ♦ Snow removal and the use of salt. We plow all roads but limit the use of salt to intersections and curves. This is done not for monetary reasons but to limit the amount of salt finding its way into the lake. Almost all the salt we put on the road will find its way to the lake.
- ♦ We are still dealing with constantly changing rules concerning COVID 19 so please watch the Web Site and Facebook for updates concerning WPOA sponsored and club sponsored events. If these events change or are canceled, this is where we will make those announcements. We are in constant contact with the Brown County Health Department for updates on what we can and cannot do.

2021 Managers Corner **2021**

Paul Cahall

Do not go out on the ice on the lake for any reason.

I know it is tempting, but going out on the ice on any pond or lake is very dangerous.

Lake Waynoka has a higher risk than most because we let water out of the lake under the ice to help protect the docks from a sudden rise in lake level. So while the ice may appear to be thick and solid, there could be a gap under the ice to the water, and this puts a tremendous strain on the ice sheet causing it to break without warning.

A FRIENDLY THOUGHT FROM THE LAKE ADVISORY COMMITTEE:

PROPERLY MANAGED SHORELINES AND LAKE WATERS ARE OF VALUE TO ALL PROPERTY OWNERS IN LAKE WAYNOKA! Obviously, they add to the value of the waterfront properties. However, they are also just as important to the value of the homes and lots located off the water! Who wants to swim or boat in a lake whose waters are polluted?...
Not a prospective buyer!

A FRIENDLY TIP FROM THE LAKE ADVISORY COMMITTEE:

Landscape your shoreline with conservation in mind.

Rock your shoreline with the appropriate size rock to prevent excessive erosion. Use native plants and grasses in beds near the Lake to help hold the soil in place.

ORGANIZATIONS SPOTLIGHT

MARCH 2021

[WPOA EVENTS & MARKETING]: GINA DASH~ (937) 446-3232 or (937) 515-3106: Events are being planned. As we continue into 2021, we are still experiencing Covid-19 exposure. This has been and still is continuing to be challenging for everyone at this unique and unprecedented times! The Events Director, recognized clubs, committees & organizations are making safe plans for the events and activities at the lake for 2021! Please be watching for any event changes or cancellations (subject to change) on our Lake Facebook.

Lake Waynoka is taking steps to ensure the health and safety of our members, employees and the public for our events and activities. As the guidelines are always revolving, we keep in personal contact with the Health Department for the most updated information.

[ART CLUB]: JOANNE EDWARDS~ (513) 582-8489: The Art Club's monthly meeting is the First Monday of every month from 10:00 a.m. – 12:00 p.m., September – May, either in the Lodge or the Conference Room, however, due to COVID-19, we may not be meeting. Please contact Joanne before guest attending so I will be able to let you know if the meeting will be taking place. We are planning on having a different Art Activity each meeting for the first hour and a half, with our regular meeting to follow. We will

be using the Lodge with masks and social distancing until further notice. Check Facebook to see what we will be doing!! The third Monday from 10:00 a.m. – 12:00 p.m. is reserved to work on sculpture at the Lodge, to be placed at Little Turtle for our latest beautification project, however, we have currently cancelled these classes as we are waiting until it is safe to resume. The last Monday of the month is reserved for our executive board to meet. We are hoping to finally have our Uncorked-on-Canvas that had to be cancelled last March 2020 and again in November 2020 for this coming **March 20, 2021** at 6:00 at the Lodge. Tickets are sold out from previous scheduled classes. Hope to see those who are still holding on to those tickets! We will socially distance and please wear your mask as much as possible. SELLING THE LAKE WAYNOKA LIFESTYLE

Lake Waynoka property is unique, and it takes a knowledgeable Realtor and focused marketing approach to attract and educate the best buyers for your property. How are we different? We sell the lifestyle as well as selling your property.

Choosing the right Realtor to sell your Lake Waynoka property is one of the most important decisions you will make. Here are some top reasons why you should choose us to sell your Lake Waynoka property.

LAKE KNOWLEDGE: We can educate the potential Buyers on what lake life has to offer including amenities, clubs, recreational and community happenings. This knowledge and strong focus on Lake Waynoka properties allows us to be the best Realtors to sell your property.

EXPERIENCE: We are some of the most dedicated and knowledgeable Lake Waynoka Realtors in the area. Not many Realtors like Jim have the first hand experience and knowledge of the developing and growth of Lake Waynoka. Jim started his career at Lake Waynoka working for the Homeowners Association with the General Manager and was past President of the WRWSD Board.

Liz has been a homeowner in lake community for over 27 years where she served as past President of the WPOA Board of Trustees and as a WPOA Board Member. Liz takes pride in her extensive knowledge of Lake Waynoka and the numerous amenities it has to offer.

MARKETING: We create detailed web pages for your property and market it where the buyers are looking. We can include professional photography, virtual walk thru video tours of the home, drone footage, dedicated property pages, lakefront signs, color flyers and social media coverage. We use all the tools to get the maximum value for your property.

COMMUNICATION: Communication is so important! We provide constant communication on showings, buyer feedback, web site visits, and market conditions. All transaction documents are provided to you in pdf format for your records.

Ready to sell? Contact us today for a free, no pressure consultation.

Testimonial

"It was refreshing to have such great communication from Liz and Jim. We have had experiences with other agents who do not return calls and were left in the dark during the process."

MARK AND STACEY J.

"In all our dealings with Realtors over the past ten years at the Lake, we have never met anyone as helpful and energetic as you have been. Without hesitation, we would highly recommend your service to anyone who is looking for an experienced Realtor who cares about getting things done and doing them the right way! Thanks for taking such good care of us, we couldn't have done it without you!"

BILL AND KAREN M.

"We made a HUGE mistake and called a different agent who offered a "discounted" commission. Little did we know that agent never allowed showings by other agents. That agent priced our home incorrectly and advised us our home was worth more than it really was. It sat on the market for a year without an offer. Once it expired we then called Liz and Jim to list for us. They gave us the information we needed to make the correct decision this time and we sold within a week and closed in 30 days. If we would have just called Jim and Liz first we would have saved 11 months of payments and other home costs. We also lost out on a home we wanted to buy...If you want honest, responsive, and "cut to the chase" type folks who can help you sell your home quickly, CALL THEM FIRST and save yourself the drama and time."
