Manager's Report (Paul Cahall):

- The finance committee has been hard at work putting together a budget for 2024. Their recommendations have been presented to the board of trustees for their review and changes. This process should be completed by the December 9 board meeting for final approval.
- The Long Range Planning committee has started its work on the 2024 capital budgets and 5 year plan along with updating the 30 year plan. The board has asked them to look at including some of items that have been brought to the board during the new lodge meetings. This budget is normally approved at the January meeting of the board.
- The draining of the lagoon will begin between the 15th of November and the 1st of December depending on weather. The goal for the year is to drop the lake 5 to 7 feet for dock and shore line work. The valve to the lake will be closed around the 15th of February to start the refilling of the lake. Please plan to have all work completed by this date.
- Dredging has been completed for this year. We removed approximately 2500 cubic yards of silt. We did not finish the project we were working at the east end of the lake and will return to the same area next year. We are hoping to be able to do some mechanical dredging in that area while the lake is down if possible.
- Additional fish stocking will be taking place this month. We have been working with the lake committee on this and \$5,000 worth of fish have been purchased.

(Motion # 261, September 10, 2016)

Campground Committee (Carrie Paul/Sue Eads): Eads: Jerry Abbatiello reported that the Halloween trick or treat event was a huge success. Special thank you to Laura Vance for organizing the flashlight event for the kids. The campground spent part of their funds on drainage issues and this has helped tremendously. The rest of the money will be spent to put a playground in near the basketball courts for use by all children in the lake. It will be 2500 square feet and cost an estimated \$62,000. The WPOA Board has agreed to donate \$5,500 and the Civic Club is donating between \$5,000-\$10,000. All donations are welcome to help pay for the project. President Ellis thanked the campground committee and the campers.

Unfinished Business: Motion #365 was opened for discussion (see below). Dave Palmer asked if verbal warnings are recorded so we have proof that it was issued. Chief Callahan said that he reports all violations to Mgr. Cahall in his monthly report and Mgr. Cahall lets him know if any other action needs to be taken. John Buskey explained the reasoning for Motion #366 (see below). The Rec Center was used as a polling place to accommodate handicap voters. Since the polling location has been changed to Eastern High School, the Rec Center is no longer used.

New Business: None

Motions & Resolutions:

- Motion #365 was made by Taylor and seconded by Crank to adopt the attached revision of the "Rules & Regulations Volume 1: "General Rules & Regulations" dated 11/11/2023. A roll call vote was taken and the motion passed unanimously.
- Motion #366 was made by Barton and seconded by Taylor that Motion #213, relating to use of Lake Waynoka as a township polling location, be rescinded effective November 11, 2023, because the Lake is no longer used as a township polling location. A roll call vote was taken and the motion passed unanimously.

Community Organizations:

- Civic Club – Mike LaPlante announced that the Civic Club will be donating \$10,000 to the playground. Bingo tonight.
- Shawnee Women's Club – Thank you for your support. Make reservations now for November 28 th at 6pm to make greeneries. The cost is \$5. We will be decorating the Lodge for the holidays on November 30 th . Everyone is invited to donate an ornament for the tree. On December 9 th from 6-8pm, we will be hosting Light up the Lake. We will have entries for the house lighting contest.

Board Comments and Concerns: None

Membership Compliments and Concerns:

- Ken Wagner – reminded the Board and Finance Committee about replacing the pickleball court lights. It is really needed so people can play later in nice weather. Treasurer Barton said it has been discussed.
- Nancee Klein – asked if the Board has considered using auxiliary staff for security? Chief Callahan reported that since so many police departments are short-staffed, the number of qualified people needing to build their resume by volunteering has dwindled but we do have one who we are training. Part-time staff is also hard to come by these days. Chief Callahan reiterated his stance that he will not hire anyone who is deemed a liability. Trustee Eads added that the Brown County Dispatch number is posted in the newsletter and to call them in non-emergent situations and they will dispatch the closest Officer. If an emergency, please call 911.

Adjournment: The motion to adjourn was made by Taylor and seconded by Raleigh. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 10:36am.

WRWSD Board of Trustees Monday Meeting – 10/30/2023

President P. Levermore called the meeting to order at 6:00 pm.

Roll Call: Present: Armstrong, Buskey, Kost, P. Levermore, S. Levermore, Moore, Wales, Mgr. Cahall, Supt. Pike

Minutes: A motion was made by Kost and seconded by Moore to approve the 10/14/23 Monthly Meeting minutes as distributed. A yea/nay vote was taken and the motion passed unanimously.

President's Report (P. Levermore): The Utility Management Workshop has been postponed until 2024.

Treasurer's Report (S. Levermore):

- We had a Bond come due for \$55,750.00 and reinvested it at People's Bank for 14 months at a rate of 4.85%.
- We have a sewer CD coming due November 15th in the amount of \$209,143.19. We are exploring interest rates and plan to reinvest the funds.
- We are working on the WRWSD 2024 budget. We are focusing on long range items and replenishing our reserves. The draft will be emailed to Trustees for review before discussing it at the November workshop.
- Trustee Buskey noted that we are a bit ahead on the 2023 water and sewer budgets but may be in the red if allocated budget items come through by the end of the year. He also asked why the chemical line item is higher than expected. Supt. Pike explained that we had unexpected costs from Aqua Doc to treat algae in the reservoir. Mgr. Cahall suggested budgeting for Aqua Doc in the future should we need their services.

Manager and Plant Superintendent Report (Paul Cahall):

- We completed the 2022 true-up and will be receiving \$19,000 from the WPOA for overpayment.
- We had a sewer inspection and are waiting for the written report. We expect no major issues. The Board discussed additional possible ways of measuring the dilution of water when draining the lagoon.
- Supt. Pike spoke with the OEPA representative about the direct discharge possibility. He has passed the information along to his superiors but expects that we will not receive permission to do so.
- The newly installed asset management system continues to be uploaded with information to its database. Right now, it is very time consuming with so much information to load. The Board asked Supt. Pike to let them know if hiring a temporary employee would help him in the process.
- We received two quotes for the water tower painting project. The Board agreed to enter into a contract with Pittsburg Tank & Tower. *Please see Motion #2023-24 below.*
- The Water Quality report from CCR was corrected and resubmitted to the EPA by Greg Wilson. The newly revised 2022 report has been posted on the Lake Waynoka website.
- We had an employee's car engine catch fire in the parking lot last Friday morning. The fire was put out with fire extinguishers and no damage was reported to the WRWSD facilities.
- The Board discussed the sewer plant expansion and second lagoon action plan for 2024. The Board would like to move forward with establishing an estimate for the design of this and incorporate that into the 2024 budget.

Old Business: None

New Business: The December WRWSD workshop has been changed from December 18th to December 11th at 6pm in the Lodge due to the holidays. President P. Levermore will make an official announcement at the November 11th monthly meeting.

Motions and Resolutions:

- Motion #2023-23 was made by S. Levermore and seconded by Buskey to amend the 2023 WRWSD budget with a difference of \$17,000. A roll call vote was taken and the motion was passed unanimously.
- Motion # 2023-24 was made by Moore and seconded by Buskey to approve a contract in the amount of \$86,675.00 from Pittsburg Tank & Tower to paint the water tower this spring 2024. A roll call vote was taken and the motion passed unanimously.

Board Member Concerns: Secretary Wales asked for a count of the old-style grinder pumps. Supt. Pike estimated about 250. He said we are moving towards replacing them as replacement parts dwindle. The new asset management system will allow the WRWSD to track the new and old cores as they are installed. The Board discussed increasing the budget for new grinder pump purchases. Wales also asked about the emergency response plan and where it is located. Mgr. Cahall said the book was revised a few years ago and he has a copy in the office.

Executive Session:

- At 7:01pm, a motion was made by Wales and seconded by Kost to enter into Executive Session to discuss a personnel medical issue and personnel compensation. A roll call vote was taken and the motion passed unanimously.
