WPOA Board of Trustees Saturday Meeting – 7/13/2024

****Any updates from the Friday email are indicated in *italics* of the summary of each report.**

****The deadline for submission of information for the monthly newsletter and other media releases is the Tuesday following the WPOA meeting at 4pm. The Office staff appreciates the cooperation of all of the clubs to share the events and activities held at Lake Waynoka.**

President Taylor called the meeting to order at 10:00 am and led the attendees in the Lord's Prayer followed by the Pledge of Allegiance.

Roll Call: Present: Eads, Klein, Lane, Marck, Miller, Moore, Raleigh, Taylor, Mgr. Cahall

Absent: Bynum, was excused.

Minutes: Marck made a motion and Eads seconded to approve the 6/8/24 WPOA Monthly minutes as printed in the newsletter. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Taylor): Due to cost and the future pickleball court resurfacing project, we will not be moving forward with lighting the courts at this time.

Treasurer's Report (Lane):

Operating funds

- June total operating income was \$194,000.00.
- June total operating expenses were \$262,000.00 with no unexpected expenses.
- Operating fund balance at the end of June was \$1,040,183.81.
- Operating income for the year at the end of June was \$2,098,000.00. That is 71% of the plan for 2024. Expected income at the end of June was 73% so 2% under budget.
- Operating expense for the year at the end of June was \$1,440,000.00. That is 49% of the plan for 2024. Expected expense at the end of June was 50% so 1% under budget.

Allocated Assessment Funds

- Income for allocated operating assessments in June was \$18,000.00.
- Assessment account expenditures in June totaled \$33,000.00 for Aqua Doc and Capital Labor.
- Balance of all allocated assessment accounts at the end of June was \$1,545,722.17.

Invested Funds

- Invested Reserves at the end of June totaled \$525,742.75.
- Total cash on hand at the end of June was \$3,111,648.73.

Treasurer Lane reviewed the 2023 financial audit by Atlas, CPAs. Everything is good and a copy of the report is on file at the WPOA Office.

Manager's Report (Paul Cahall):

- While the algae and weed problems have not been eliminated, it is much better than a couple of years ago. Between the all-natural treatment of reintroduction of the grass carp and weekly treatments from Aqua Doc, we have seen a significant improvement. This summer has been dry and unusually hot, perfect conditions for algae and weed growth but we still have seen improvement over last year. Hopefully if this improvement continues, we will be able to reduce or eventually eliminate the need for treatments from Aqua Doc.
- Code enforcement continues with boats being our focus right now. We have issued over 90 warning letters in the last month. If you receive one of these warning letters and have any questions or concerns, please contact me to discuss. I have been given the promise of 4 old boat titles so we can remove them.
- The area along the fence between the lodge and the Recreation Center is a fire lane and signs have been posted. Golf carts, UTVs, cars, trucks, and motorcycles are not permitted to park in this area. Please use the marked parking areas.
- As some have found out the hard way, the back gate has been repaired and trailers and oversized vehicles can no longer get in that way with a RFID sticker. That gate was designed that way to keep boats and campers not belonging to members in good standing from entering the lake.
- Waynoka Day will be the 20th of July. Hopefully we will have great weather and I encourage all members to come out and enjoy the day and get to know other members.
- Sadly, and with bad timing, the 20-year-old ice-cream machine made its last ice-cream cone a couple of weeks ago in the middle of the summer heat. The board is authorizing the purchase of a new machine that will be delivered on the 15th of July and should be operational on the 16th of July.
- *Lodge update – a new roof will be going on the Lodge, water drainage around the building will be starting soon and a double pumper will be installed once the electric is run so the Lodge will be on its own grinder system.*

- The lake algae is way better than several years ago. We plan to cut back on treatments. The added white amurs are doing their job with the grass. Prior to the algae outbreak, no carp were added to the lake for seven years. These carp do not reproduce and their lifespan is seven years.

Election Inspectors/Nominating (Nan McHugh, L.Stover, Dawn McNees, Nominating Chairperson): None

Lake Advisory (Johnson/Marck): None

Long Range Planning Committee (Borgman/Raleigh):

1. The Long Range Planning Committee (LRPC) continues to monitor the 2024 budget, comparing the work accomplished versus the work planned. The committee will share this information with the membership on

Manager in accomplishing the approved budget. 2. At the direction of the WPOA Board, the committee provides information for future projects as outlined in the LRPC five year plan (years 2 through 5). We provide this information so that the Board will understand the impact of various options that may be considered when they vote in January to approve projects for the upcoming year. 3. Each year the committee meets with the General Manager and WPOA Board to assess the feasibility of projects proposed for the next year. Projects not completed in 2024 may be considered for 2025 or beyond. 4. 2024 project status a. Projects completed include replacement of the Marina docks (wood and concrete), Red Cloud dock repairs, fish stocking, purchase of Rec Center weight room equipment, a new zero turn mower, a Rec Center floor cleaner, and a new GMC pickup truck (replacement of an existing). The 20 year old ice cream machine in the restaurant died. The WPOA Board is obligated to the restaurant operator to replace all restaurant equipment, and approved money to be accelerated to 2024 from 2025 to pay for a new machine. b. Projects in progress include foundation repair, plumbing repair, and roof replacement at the Lodge, and weekly algae control for the lake. c. Projects yet to be completed include Rec Center exterior repairs (stucco work), lake dredging (Hump project completion and dry dredging at the east end), and paving Waynoka Drive. The WPOA board has approved the paving of all of Waynoka Drive to begin in September, 2024. We started saving for the paving project in 2019, with anticipated work scheduled to be done in 2029 through 2032. Higher revenue from an increase in membership and a decrease in the price of paving has allowed this project to be completed at an earlier than expected date. 5. The purpose of a long range plan is to anticipate community needs and wants and develop an appropriate plan for the Board with consideration for both the cost and the future of the community.

Rules and Regulations: Still looking for a Chairperson. Please contact President Taylor if you are interested.

Campground Committee: (Abbatielo/Eads/Klein): Thank you to Doris Kitchen for organizing the bike parade last weekend. It was a big success with 55 kids in attendance. Thank you Paul, Marty and the maintenance crew for fixing the low area in the campground. There are 20 boats/trailers in the campground lot with no current stickers. Mgr. Cahall said that the Code Enforcement Officer has cross- referenced the outdated permits and most of them are members who have purchased new permits but have not attached them to their boat/trailer.

Unfinished Business: None

New Business:

- Trustee Klein asked about an open gate for a fall community yard sale. President Taylor will put it on the agenda to discuss at the upcoming workshop.
- Motion #379 was made. See below.

Motions & Resolutions: Motion # 379 was made by Moore and seconded by Lane to increase the Capital Improvement account by \$24,000 for calendar year 2024 to replace the soft serve ice cream machine. A roll call vote was taken and the motion passed unanimously.

Community Organizations: Civic Club (Dave Adler) – asked all clubs to look through their supplies. We are missing the Lake Waynoka Day banner. Our July meeting is on July 15th at 7pm. We are having a new member picnic August 27th 6pm at Marina Pointe. Please attend if you are interested in becoming a member. Bingo tonight, doors 6pm and beginning at 7pm. Trustee Klein encouraged everyone to attend Bingo events because proceeds are donated back to community areas, for example, a portion of the playground near the campground.

Board Comments and Concerns: None

Membership Compliments and Concerns:

- Louis Mays – The Garden Club had a successful container party. We have an upcoming boat tour for a group from Wilmington. On June 27th , we are hosting a native plant sale at Little Turtle starting at 7pm. Louis would like to see something done to control the deer population. He is concerned about spreading disease and safety issues that the deer present. Perhaps the ODNR has some suggestions and/or resources available.
- Dave Adler – asked the Board to consider placing a way-finding sign directing people to the Chapel. President Taylor will put it on the workshop agenda.

- Terry Borgman – the Project Suggestion form is posted on the Lake Waynoka website. Members can fill this out if they have project ideas for the Board to review.
- Jeff Wells – is concerned about wake boats and the huge wakes they put off. Our lake is too small. This is a safety concern for other boaters. Is the Board working on this issue? President Taylor stated that the Board is divided but we are still working on it and discussing solutions at our monthly workshop. Vice President Eads contributed that we are exploring restricted times and days for wake boats to be on the water.
- Steve Daniels – the wake boat issue has been going on for over a year. He urged the Board to make a decision about wake boats and wake surfing.
- Doris Kitchen – Are motions voted on in workshops? No. Are we testing the water at the beach? Mgr. Cahall will check with Supt. Wilson. In the past, we have routinely tested for e-coli. She would like to be on the Rules & Regulations committee to help address issues in the community, such as, Air Bnbs. President Taylor said that Air Bnb restrictions have been voted down four times by community members. President Taylor said he would take her request to be on the R&R committee under advisement.
- Jerry Abbatiello – We need to monitor the front and back exits for boat and trailer removals. Members should be stopped and asked to provide proof of ownership before being allowed to exit the community. Trustee Klein said she will bring this up at the next workshop.
- Dan Walsh – does not understand why a member has to be present to allow a guest into the Rec Center/pool area since they are not required to stay with the guest. Mgr. Cahall said if a guest is using a Recreation Center Debit Card, then they must be accompanied by a member in good standing as members are 100% responsible for any issues/damage their guests may cause. Vice President said we had issues with home childcare providers bringing several children to the pool and they are not properly supervised. Trustee Klein went on record to state that if the property owner has both purchased the Recreation Center Debit card and left the guest a pass to get in the front gate that it should be allowed. The CODE is not specific for these types of cards.
- Dave Kinsey – echoed that the Board needs to limit wake boats because it is a safety hazard, swamping boats and becoming a lawsuit liability to the community.

Adjournment: The motion to adjourn was made by Eads and seconded by Klein. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 10:39am.

Rhonda J. Maybriar, WPOA Assistant Recording Secretary

WRWSD Board of Trustees Saturday Meeting – 7/13/2024

Vice President Levermore called the meeting to order at 9:30 am.

Roll Call: Present: Feil, Harper, Kost, Levermore, Moore, Wales, Mgr. Cahall

Absent: Armstrong was excused.

Minutes: A motion was made by Kost and seconded by Moore to approve the 6/24/24 minutes as distributed and read. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Levermore): We have tentatively scheduled the WRWSD plant tour for August 17th from 10am-2pm.

Please look for more information to come.

Treasurer's Report (Feil): None

Manager and Plant Superintendent Report (Mgr. Cahall/Supt. Wilson): We have been drawing water from a lower level in the reservoir to decrease water usage from backflushing. This led to the water discoloration we experienced over the July 4th weekend. We switched to BCRW for a short time to adjust our chemical disbursement. As usual, the switching of the valve disrupted sediment leading to a brown discolor. The discolor was in localized areas. We want the community to know that the water was completely safe for consumption and at no time did it pose a health risk to our residents.

Old Business: None

New Business: None

Motions and Resolutions: Motion #2024-14 was made by Kost and seconded by Wales to amend the 2024 WRWSD expense budget by \$26,500.00 for sewer line extension. A roll call vote was taken and the motion passed unanimously.

Board Member Concerns: None

Membership Concerns: None

Adjournment: The motion to adjourn was made by Wales and seconded by Moore. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 9:43am.

WRWSD Board of Trustees Meeting – 6/24/2024

President P. Levermore called the meeting to order at 6:00pm.

Roll Call: Present: Armstrong, Feil, Kost, P. Levermore, Moore, Wales, Mgr. Cahall, Supt. Wilson
Other present: Nan McHugh and Scott Harper

Minutes:

- A motion was made by Armstrong and seconded by Kost to approve the 6/8/24 Monthly Meeting minutes as distributed. A yea/nay vote was taken and the motion passed unanimously.

Oath of Office: Elections Inspector Nan McHugh introduced newly appointed Trustee Scott Harper. She led him in the Oath of Office.

President's Report (P. Levermore): None

Treasurer's Report (Feil):

- We have a few motions to make. Please see below.
- Secretary Wales asked why grinder expenses were increased in Motion #2024-12. Supt. Wilson explained that we have three types of grinders. There are no replacements parts available to fix the oldest ones so they need to be replaced when they break down. The additional funds are being used to purchase new grinders. It is unknown how many of the very old grinders are still in use. Supt. Wilson has created a QR code database to track individual grinders as they are replaced. The Board agreed to upgrade employee phones to smartphones so they can access the QR database when out on calls. Trustee Kost thanked the WRWSD staff for their prompt response to grinder calls.

Manager and Plant Superintendent Report (Mgr. Cahall/Supt. Wilson):

- The sewer line expansion has been completed on Stallion and Blackhawk.
- Supt. Wilson looked into an estimated cost from a contractor to locate underground leaks throughout the entire water supply system. He suggested that we do not need to proceed with this for now as we have found and fixed a major leak last month. We also recalibrated the water meters at the plant. These updates and repairs reduced our water loss to 1.84% for the month.
- The double grinder pump was received. Dan Pike and an electrician are going to coordinate a time for installation. This pump will be specifically used for the Lodge and will drain to the sewer line on Waynoka Drive.
- The CCR certificate has been sent to the EPA ahead of schedule. We will include a notice on the next water bill directing customers to view the report on the Lake Waynoka website.
- A committee was formed to review the request for qualification submissions for the sewer plant expansion. The requests are due June 30th. The committee will consist of the WRWSD President, Vice President, Treasurer, Lake Manager, Plant Superintendent and Wastewater Supervisor. The committee will listen to presentations of selected Engineers and make recommendations to the Board. This is our first step in getting a formal plan to present for EPA approval and to locate funding for the expansion.
- We are down one employee.
- The community WRWSD plant tour is tentatively scheduled for August 17th from 10am-2pm. Please look for announcements about the tour coming soon.
- We have switched to drawing water from the lower portion of the water reservoir during the summer months to reduce backwash requirements.
- We have noticed an increase in water usage especially during this dry spell. The WRWSD asks that everyone conserve water during these times.

Old Business: None

New Business: None

Motions and Resolutions:

- A motion was made by Wales and seconded by Feil to approve the May 31st financial statement as distributed. A yea/nay vote was taken and the motion passed unanimously.
- Motion # 2024-12 was made by Moore and seconded by Kost to amend the 2024 budget with a \$5,845.64 increase in income and a \$17,573.82 increase in expenses. A roll call vote was taken and the motion passed unanimously.
- Motion # 2024-13 made by Feil and seconded by Wales to approve the attached 2025 Budget, with total income of \$1,572,402.00 and total expenses of \$1,754,252.00. Dated 06/19/2024. A roll call vote was taken and the motion passed unanimously.

Board Member Concerns: None

Adjournment: A motion was made by Armstrong and seconded by Feil to adjourn the meeting. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 7:00pm.

ORGANIZATION SPOTLIGHT FOR AUGUST 2024

{WPOA EVENTS & MARKETING} KIM LAMB~Events@lakewaynoka.com (937)466-3232~ I want to thank maintenance for all of their hard work on Waynoka day! We literally can't do it without you! Our next Music on the Green is going to be September 1st with The Vinyl Countdown. There are some great events our clubs have coming up!

NEWSLETTER EDITOR: KIM LAMB~Newsletter@lakewaynoka.com (937)-446-3232~ Submissions for the September (432) newsletter must be received by 8/13/24 by 4pm. No Exceptions. Submissions will be added on a month to month basis unless you are a paid advertiser. If you want your flyer/event ad to run in more then one month it must be discussed first.

{ART CLUB} SANDY BEARD~sandy.beard17@gmail.com~ Art club continues to meet on the second Monday of the month at 6:30pm in the Lodge September through May. The Art Club does not meet over the summer but still is active with several projects.

{BOOK CLUB} LINDA STOVER~lindajstover51@gmail.com~ The Waynoka Book Club meets the 2nd Tuesday of every month at 10:00am in the Lodge Library to discuss a chosen book and hold a short meeting. The August book is "Hang the Moon" by Jeannette Walls. The September book is "The Birth of the FBI" by Willard Oliver. The Evening Book Club meets the 4th Thursday of the month in the Lodge Library at 6:30 pm. The August book is "Forever Amber" by Kathleen Winsor.

CHESS GROUP: Chess players meet weekly on Wednesdays at 6:45 pm in the library. You do not have to be an expert to play and tutorials are available. Beginners, ladies and young adults are welcome. Please contact Larry Signorile at (937) 515-8283 or email laryrongis@gmail.com for more information.

COOKBOOKS FOR SALE: We have cookbooks for \$10. All proceeds from the book sales go to the Annual Lake Waynoka Book Club Scholarship Fund. Contact Linda Stover or Vicki Nimmo if you would like more information or to purchase cookbooks or make a donation to the Scholarship Fund.

THE LIBRARY is open to everyone at Lake Waynoka. Books and are free to take and return when you are finished. There is a great selection of mysteries, novels, romance and non-fiction books to choose from. Donations are appreciated. Please donate small amounts of books at a time to help out our library volunteers. We no longer take games, puzzles, DVDs or LPs. Summer is a great time to read.

COME JOIN US: You may want to consider joining the Book Club. Contact Linda Stover to get on our email list for Book Club information and reading list for the morning book club group. Check the reading list for the evening group on the Waynoka Facebook page. Happy Reading!

CAMPGROUND: DONITA HAGEN~(937)446-2887~ Believe it or not, we are halfway through the camping season. Please be sure there are no items, i.e. toys, kayaks or bowls on your site that can collect water. The Health Department found sites with standing water which can be a breeding ground for mosquitoes. Be sure to contain your trash in a sealed trash can, & not in your firepit, that is Health Department violation. Please be sure to turn off lights & close the bathroom/shower house doors when not in use. There are now disposable toilet seat covers in the women's restrooms. A big thanks to the maintenance department for bringing in dirt, grass seeding and putting down straw between the 400's and 13-20. They have also been grinding down stumps where dead trees have been removed & repairing picnic tables. Staff has been painting doors, staining picnic tables, & benches. We would also like to thank the art club for their work in progress in painting the office mural. Please be respectful of quiet hours 11pm-8am every night. If the campground staff hears the noise after 11pm, the first warning is verbal, second is a written warning, & third is a \$50.00 fine. All roads in the campground are one way & the speed limit is 10pmh. When bicycles are traveling in a group please all move to one side when vehicles are using the roads. All golf carts are to be operated by a licensed driver in the campground & throughout the whole Lake Waynoka community, this is for the safety of all. If you are basic, remember that you have shared water, so once you fill your tank disconnect your hose. Even if you have a splitter, please disconnect your hose so others have access to water.

{CIVIC CLUB} DAVE ADLER ~civicclub@lakewaynoka 304-546-3713~ There are two big events on the Civic Club calendar in August. We hope you join us! August 27th at 6pm is the Civic Club Recruitment picnic at the beach pavilion. Yes, We want you to join the club! Have you ever thought about joining? This is your opportunity to learn about the club and meet current members. But we need to know if you are coming, so please RSVP (call or text to the number above) by August 20th. A few days later (August 31st at 9:30) is the fireworks show which the Civic Club sponsors. We think our lake is pretty lucky to have two great fireworks displays each year! Finally, please note that the September and October club meetings will be moved to the fourth Monday of the month, still in the lodge (generally the meeting room unless previously reserved or too crowded). Happy Trails

GARDEN CLUB} LOUIS MAYS~937-205-7916 ~ Growing Marijuana: How to and Issue 2 in Ohio. There are lots of questions about the use of marijuana in Ohio since the passage of Issue 2 in 2023. The garden club welcomes Lake Waynoka resident Clint Kiser from Lake Waynoka and his colleagues will be discussing the varieties of marijuana plants and basic information on how to grow the plant. Brown County Sheriff Gordon Ellis will also provide information on what is known by law enforcement and the issues surrounding the pending legislation that has not been approved yet. The meeting will take place on Thursday, August 8th, 7:00 p.m. at the Lodge. An open pass will be left at the gate. Law enforcement and the issues surrounding the pending legislation that has not been approved yet. Bluebird Trail at Lake Waynoka Fifteen bluebird houses were made by the Adams-Brown Sportsman Chapter of Quail Forever members and with the help of the Hooves and Halters 4-H Club of Georgetown, they were installed at various lots throughout Lake Waynoka. This June project was a collaborative effort with the Lake Waynoka Garden Club. In November the renewal levy for Brown County Extension will be on the ballot. The bluebird project is just one example of how important Extension is to Brown County. Several members of the garden club are Brown County Master Gardeners and 4-H is a big part of Extension Services in the county. Look no further than the Brown County Fair to see the impact 4-H makes to our community. Future projects at Lake Waynoka will include the construction of a wildflower pollinator lot to attract bees, butterflies, and hopefully the eventual return of the Bob White quail. For more information about the Lake Waynoka Garden Club, call Lou Mays at 937-205-7916.

GOLF CLUB: DAVE ADLER/TOM WYATT~304-546-3713~ As of the time of this writing, the club is about halfway through the season. The weather has been good, and the championship race is tightening up. Mike Hartell remains the leader, but there are now eight players within 5 points of the lead. The biggest move over the past month has been posted by Elaine Bolte, who is now only one point outside a top-ten position! It's never too late to join the fun. There are still approximately 44 points to be earned. Yet our main goal is to have fun and build friendships - and that is happening no matter what the point standings or ability levels. Guys and gals, join us Tuesday mornings at 9:00, Buttermilk Falls course in Georgetown. For now, hit 'em long and straight!

HEALTH & RECREATION CENTER: CATHERINE BUNDY~937-446-1778~ AUGUST: We will be hosting a specialty class, Aqua Sound Healing, by New Leaf Yoga instructor Aletha Angelus! This class will be on Sunday, August 18th 9:30-10:30am in our adult pool. *Registration and fee required: members \$20/non- members \$35. Please stop by for a flyer for registration instructions. Limited spots available. Don't miss out on our last Family Night Swim of the season Friday, Aug 9th and Adult Night Swim Friday, Aug 16th 9pm-12am. Night Swim guests are \$3/person and must be with a member. Outdoor pool hours are M-Th 12pm-9pm, Fri-Sun and holidays 11am-9pm. Our outdoor pavilion is available to privately rent for all your summer pool parties! Don't forget to purchase your debit punch cards at the Administration office to use for all your summer guests! Daily drop-in guest fee is \$10/person. Members must be with their guests. Don't forget to grab a Group Exercise Class schedule and an Activity schedule for all our offerings! Guests may come to any exercise class or activity for \$5/person *\$5 fee for class or activity only during scheduled times. The Gymnasium is available for private party rentals with full gym and half gym rental options. Must come in and pay in full + deposit to reserve. No holds. Don't forget to like our Facebook page, Lake Waynoka Rec Center, for information and details on classes, events, and activities! We look forward to seeing you! www.facebook.com/HealthandRecCenter

{SHAWNEE WOMEN'S CLUB} Nan McHugh ~nan.mchugh@gmail.com 614-216-8657~ Shawnee Women's Club is a social and community service organization at Lake Waynoka. Meetings are at 10 am in the Lodge on the first Wednesday of every month. All women are invited to be part of the Club and help with our community events even if you can't make it to meetings. Call Nan to find out more. We will be hosting Veterans from the Georgetown Veterans Home and Lake Waynoka for a picnic and fishing on September 11.

{WATERSPORTS CLUB} VICKI FEIL ~Viktoriafeil404@gmail.com~ The club recently hosted one of its popular annual events, the Charlie Beard Firecracker 5K Run/Walk, which saw high community participation. With perfect weather, the event drew a record 117 participants. All proceeds will benefit the Eastern High School Track Scholarship Fund. A big thank you to our major sponsors, Jason Brumley from Re/Max Local Experts and Kellie Kiser from Clermont Family YMCA. Additionally, we extend our gratitude to the Firecracker 5K chairs, the Beard Family, and all the volunteers who made the event possible! Remaining Events for the year are Poker Run, Ski Show and Veterans Day Celebration. For more information on these events watch for flyers on our Facebook page and

Dear Prospective Advertiser:

Waynoka Newsletter is a monthly publication by the Waynoka Property Owners Association, with circulation available to over 1700 eligible property owners, and many home deliveries outside our lake. Most of our property owners do not receive the local newspaper. Therefore, the Waynoka Newsletter is the only publication they have to find needed services locally.

Advertising Benefits: Your ad goes into our newsletter and on our website, along with being sent out in our news blast email to over hundreds of readers. You will also receive a printed copy each month and we will also include a link to your website from our lakewaynoka.com/local-resources page.

All ads must be paid for in advance, be camera ready to size, typewritten in the exact words to be printed, and delivered by the deadline date.

Deadline Date: First Tuesday after the second Saturday of each month by 4:00 pm and can be hand delivered to the Lake Waynoka Administration Office, mailed, or e-mailed. We accept checks, payable to WPOA, Visa, MasterCard, Discover, and cash.

Please refer to the back of this letter for pricing and ad sizes.

Please give our office a call at **937-446-3232** or email newsletter@lakewaynoka.com if you have any questions.
