WRWSD Board of Trustees Monday Meeting - 04/27/2026

President Levermore called the meeting to order at 6:00pm.

Roll Call: Present: Brumley, Dombroskie, Engle, Feil, Harper, Levermore, Mgr. Wilkin, Supt. Wilson

Absent: Gruber was excused.

Minutes:

- A motion was made by Feil and seconded by Dombroskie to approve the 4/11/26 minutes as distributed. A yea/nay vote was taken and the motion passed unanimously.
- A motion was made by Feil and seconded by Harper to approve the 4/18/26 Annual Meeting minutes as distributed. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Levermore):

- President Levermore reminded everyone that they each have a WRWSD mailbox at the Office.
- It's that time of year when bogus emails are sent to our email addresses asking for money. Please ignore these. Reach out if you are suspicious or question the validity of these emails. As Executive Officers, we will never email any Trustee asking for money.
- President Levermore passed out information for Trustee training opportunities. As Trustees, we should be engaging in these opportunities to make sure we are doing things correctly. The Ohio Rural Water Association offers courses and has question and answer options. He suggested to Mgr. Wilkin that we schedule a work session with Attorney Tom Mayes to do a legal review. RCAP is another viable resource that has training opportunities, can do rate studies, assist with government financing and other items. Mgr. Wilkin attended a RCAP workshop and found it very beneficial.
- The Ohio Sunshine Law training is June 30th. It is online and lasts approximately three hours. You can register for the course on the Attorney General's website. The course has been valuable to us as a Board. The next training, after June, is scheduled for September.
- We will be looking into rapid communication/notification systems and improvements to speed up the process for reaching members about issues. Mgr. Wilkin will look into the costs associated with creating a database and sending mass texts. We currently use Facebook, e-mail blasts and the Lake Waynoka website to communicate water and sewer issues with the community.
- We are looking into moving towards electronic billing vs. mailing WRWSD statements. The estimated savings would be \$9,000/yr. Mgr. Wilkin is hoping to have an ACH payment option later this year.
- The Board discussed the General Manager's time allocation to the WRWSD since we pay a portion of his salary. Most of his time last year was consumed by the WPOA. We have huge projects that need attention, such as, the WRWSD plant expansion, possible regionalization with Russellville and searching for funding through grants and low to zero-interest loans. The Board discussed a few options moving forward.
- Vice President Engle will be creating a Google Drive account for WRWSD records and information. Once complete, he will have an in-service.
- Vice President Engle will be reviewing and presenting updates to the WRWSD bylaws. Treasurer Feil volunteered to help when she can. Added items could be regionalization with nearby communities and language concerning Trustee behavior and removal, if warranted.

(Continued on pg. 2)

Treasurer's Report (Feil): None.

Manager and Plant Superintendent Report (Mgr. Wilkin/Supt. Wilson):

- The March usage of BCRW was much less. We are producing our own water. Switching back and forth from WRWSD and BCRW reverses the water direction and causes water discoloration.
- We are planning for the second clarifier to be installed towards the end of the year. Supt. Wilson plans to reduce the flow rate we treat and extend the timeline. Adding a second shift will minimize our use of BCRW.
- Water coming out of the reservoir travels 300 yards to the plant reducing contact time for chemicals to treat the water. We borrowed a jar tester from Hillsboro to see if it will help us treat manganese in the interim while we are waiting for the second clarifier and plant expansion.
- We experienced a low-pressure issue during backwashing and discovered a broken valve. It has been replaced and may have contributed to low water pressure.
- The EPA mandates that the water from the lagoon be diluted 10:1 which is why the lake is down two feet. We are excited about our possible regionalization with Russellville as it may allow us to obtain a direct discharge permit, therefore eliminating the need to lower Lake Waynoka in the spring.
- Supt. Wilson will be reviewing his updated capital project plan at next month's meeting.

Old Business: None

New Business:

- The Board met with DLZ Engineer, Gary Silcott, via teleconference to discuss the possible regionalization between the WRWSD and Russellville. Regionalization means that WRWSD would provide treatment of wastewater from Russellville via a substation outside Lake Waynoka. We will have a meter and charge Russellville monthly for our services. The WRWSD infrastructure stays within Lake Waynoka. Russellville is the customer and not individual property owners in the town, therefore, Russellville residents will be unable to attend WRWSD meetings and/or run for the WRWSD Board. Gary explained that the memorandum of understanding (MOU) allows discussion between both entities for 120 days to seek a possible agreement for waste allocation before signing a contract. It is important to note that the MOU does not lock us into a contract and only authorizes negotiations. All non-starters would have to be satisfied. The WRWSD would like to see a direct discharge permit issued from the EPA. We are hopeful that the EPA will offer a 0% interest loan and possibly some grants to help make this a reality. Russellville will need to secure their own funding to build a substation to collect waste. Mgr. Wilkin will post FAQs on the Lake Waynoka website about the regionalization with Russellville. President Levermore asked Gary what a 0% interest loan would look like vs. a 3.5% interest rate loan. The difference is huge and saves the community over \$200,000 per year plus we would get monthly sewer payments from Russellville. Gary suggested we continue to save for replacing our old water and sewer lines. Secretary Dombroskie asked for an expansion timeline. Gary said it would take 12 months or so to complete the design. It will take 12-18 months to apply for funding. In August, the EPA nominations are due and we will apply for a principal forgiveness loan/grant. The project will be completed in phases.
- The Board discussed a unique situation of a new home being built on an adjacent lot and the old home being torn down. Owners would like to run the taps and grinder pump from the old house to the new one. We will need more information.

Motions and Resolutions:

- A motion was made by Feil and seconded by Harper to allow Mgr. Wilkin to sign the memorandum of understanding between Russellville and WRWSD regionalization. A yea/nay vote was taken and the motion passed unanimously.
- Motion # 2026-11 was made by Feil and seconded by Harper to approve WRWSD permits for lot #971 & 972. A roll call vote was taken and the motion passed unanimously.
- Motion # 2026-12 was made by Engle and seconded by Feil to approve WRWSD permits for lot #3361. A roll call vote was taken and the motion passed unanimously.
- Resolution #2026-01 was made by Feil and seconded by Dombroskie to authorize Waynoka Regional Water and Sewer (WRWSD) to apply for, accept, and enter into a water supply revolving loan account (WSRLA) agreement on behalf of the district of WRWSD for construction of water facilities; and designating a dedicated repayment source for the loan: Whereas, the District of Waynoka Regional Water and Sewer seek to upgrade its existing wastewater facilities; and Whereas, the District of Waynoka Regional Water and Sewer intends to apply for Water Supply Revolving Loan account (WSRLA) for the construction of the water facilities; and Whereas, the Ohio Water Supply Revolving Loan Account (WSRLA) requires the government authority to pass legislation for application of a loan and the execution of an agreement as well as designating a dedicated repayment source; now therefore, be it resolved by the council of the District of Waynoka Regional Water and Sewer, Ohio: Section 1. That General Manager Wilkin be and is hereby authorized to apply for a WSRLA loan, sign for all documents for and enter into a Water Supply Revolving Loan Account (WSRLA) with the Ohio Environmental Protection Agency and the Ohio Water Development Authority for planning, design and/or construction of water facilities on behalf of the District of Waynoka Regional Water and Sewer, Ohio. Section 2. That the dedicated source of repayment will be Water Reserve Fund #607-00. Section 3. That is resolution shall take effect and be in force from and after the earliest period allowed by law. A yea/nay vote was taken and the motion passed unanimously. Passed April 27, 2026 after one reading.

- Resolution #2026-02 was made by Feil and seconded by Harper to authorize Waynoka Regional Water and Sewer District (WRWSD) to apply for, accept and enter into a cooperative agreement for construction of WTP improvements project between the WRWSD and the Ohio Water Development Authority and declaring an emergency. Whereas, the District of Waynoka Regional Water and Sewer (hereafter referred to the "LGA") are adding a second clarifier to address algae bloom there by protecting the health and the safety of the public while meeting OEPA requirements; and Whereas, the LGA desires to obtain a loan from the Ohio Water Development Authority (hereafter referred to as the "OWDA") to finance costs of the planning of such facilities on the terms set forth in the Cooperative agreement (defined below); and whereas the OWDA has indicated its willingness to make a loan for that purpose and on those terms; Now therefore, be it ordained by the Board of the Waynoka Regional Water and Sewer District, Ohio: Section 1: That the LGA hereby approves the planning of the aforesaid WTP improvements in cooperation with the OWDA under the provision , terms and conditions set forth in the "Cooperative Agreement for State Planning Project" as set forth in Exhibit A (the "Cooperative Agreement") and hereby authorizes the President and WRWSD Clerk of the LGA to execute the Cooperative Agreement with the OWDA substantially in the form set forth in Exhibit A. Section 2. That it is found and determined that all formal actions of this Board concerning and relating to the passage of this resolution/ordinance were passed in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code. A yea/nay vote was taken and the motion passed unanimously. Passed April 27, 2026.

Board Member Concerns: None

Executive Session:

- At 8:16pm, a motion was made by Feil and seconded by Harper to enter into Executive Session to consider the employment of a public employee. A roll call vote was taken and the motion passed unanimously.
- At 8:44pm, a motion was made by Engle and seconded by Feil to exit Executive Session. A roll call vote was taken and the motion passed unanimously.

Adjournment: The motion to adjourn was made by Feil and seconded by Harper. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 8:45pm.

Rhonda J. Maybriar, WRWSD Assistant Recording Secretary

WRWSD Board of Trustees Saturday Meeting - 05/09/2026

President Levermore called the meeting to order at 9:30am.

Roll Call: Present: Brumley, Dombroskie, Engle, Feil, Gruber, Harper, Levermore, Mgr. Wilkin

Minutes: A motion was made by Engle and seconded by Feil to approve the 4/27/26 meeting minutes as distributed and read. A yea/nay vote was taken and the motion passed unanimously.

President's Report (Levermore):

- A Google Drive instruction sheet was passed out to obtain email addresses. Vice President Engle is creating the drive for easier file sharing so everyone is up-to-date on the most current version of items.
- Mgr. Wilkin will be posting the FAQs of a possible Regionalization with Russellville on the Lake Waynoka website. Bring any questions you may have to the Board.

Treasurer's Report (Feil): Treasurer Feil reviewed the April finances and found no issues.

Manager and Plant Superintendent Report (Mgr. Wilkin/Supt. Wilson):

- We are in the process of gathering funds for the expansion project. DLZ Engineering is involved and expect it to be a lengthy process.
- Thank you to Hillsboro for allowing us to borrow a jar tester.
- The lake level is down. It would be huge to get a direct discharge permit from the EPA.
- ACH is finally set up. We will be distributing more information in a few months detailing instructions on how to utilize it.

Old Business: None

New Business: None

Motions and Resolutions: A motion was made by Dombroskie and seconded by Engle to approve the April 30th financial statement as distributed. A yea/nay vote was taken and the motion passed unanimously.

Board Member Concerns: Vice President Engle wished everyone a Happy Mother's Day.

Membership Concerns: None

Adjournment: The motion to adjourn was made by Feil and seconded by Engle. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 9:52am.

{BOOK CLUB} (lindajstover51@gmail.com) Linda Stover:

Lake Waynoka has two book clubs that meet monthly. You are welcome to both, whichever works out best for your schedule. The Morning book club meets the second Tuesday of each month at 10 am in the Lodge Library. The book of the month is available at the Sardinia Library the month prior to the meeting. Just let the librarian know you want the Lake Waynoka morning book club book. The July book is "And Then We Hit a Rock" by Greg Buenzli. Contact Linda Stover at lindajstover51@gmail.com or Sue Mohler at sue@dbmim.net for more information. The Evening Book Club meets the last Thursday of the month in the Lodge Library at 6:30 pm. The group also meets in member's homes. The July book is "The Last Caretaker" by Jessica Strawser. Contact Vicki Nimmo at nimmovicki@yahoo.com for more information and for the meeting location. The evening group reading list is on the Waynoka Facebook page. The book club yearly lists are posted in the library.

COOKBOOKS FOR SALE: We have cookbooks for \$10. All proceeds from the book sales go to the Annual

Lake Waynoka Book Club Scholarship Fund. Contact Linda Stover or Vicki Nimmo if you would like more information or to purchase cookbooks or make a donation to the Scholarship Fund.

THE LIBRARY is open to everyone at Lake Waynoka. Books and are free to take and return when you are finished. There is a great selection of mysteries, novels, romance and non-fiction books to choose from. Donations are appreciated. Please donate small amounts of books at a time to help out our library volunteers

We would love to have you join us!

GRINDER PUMP REMINDER

Please **DO NOT** open your water meter for any reason. If you feel there is a problem, please contact the WRWSD plant (937-446-3256).

Give your grinder pump air!

If you are going to landscape around your grinder pump, the grade around the pump should be a minimum of 4" below the top of the lid and sloped away from the unit.

Reduce Water Use

Save **2.5 gallons** of water per minute

While **shower water** warms up, catch it in a bucket and use it to water plants

- Use a water efficient flush toilet.
- Find and repair leaks.
- Take a quick shower.
- Convert to water and energy saving faucets.
- Avoid wasting running water as possible.
- Use an energy efficient washing machine.
- Water plants during the coolest part of day.
- Clean driveways and sidewalks with a broom instead of hose.

NO WAKE is defined as the lowest speed possible to maintain headway and navigation.

All coves and inlets in their entirety beginning at their entrance from the main lake are **NO WAKE** zones as well as within 50 feet of the Dam and all main lake shorelines.

SLOW DOWN & PROTECT OUR SHORELINES!

Always direct the grass clippings from your mower away from the water. Never rake or 'blow' leaves into the Lake, While some decaying matter is necessary for certain aquatic life in a lake, too much is harmful!

Red, White and Blue Cheesecake Cake

Ingredients

CHEESECAKE:

Two 8-ounce packages cream cheese, at room temperature
 2/3 cup granulated white sugar
 pinch of salt
 2 large eggs
 1/3 cup sour cream
 1/3 cup heavy whipping cream
 1 teaspoon vanilla extract

CAKE:

2 cups all purpose flour
 1 tablespoon baking powder
 1/2 teaspoon salt
 1½ cups granulated white sugar
 1/2 cup (1 stick) unsalted butter, at room temperature
 3 large eggs, at room temperature
 1 cup whole milk
 1 teaspoon vanilla extract

FROSTING:

1/2 cup (1 stick) unsalted butter, at room temperature
 4 ounces cream cheese, at room temperature
 5 cups powdered sugar
 1/4 teaspoon salt
 3 to 4 tablespoons whole milk
 1/2 teaspoon vanilla extract
 sprinkles, optional

Instructions

PREPARE THE CHEESECAKE LAYER:

Place a 9x13-inch pan on the bottom rack of the oven and fill it halfway with water. Place your other rack in the center of the oven. Preheat the oven to 325 degrees F. Spray a 9-inch springform pan with nonstick spray, then line the bottom of the pan with parchment, then spray again. In a large bowl, use an electric mixer to blend the cream cheese until it is smooth and creamy, 1 to 2 minutes. Mix in the sugar and salt and blend for 2 minutes, scraping down the sides of the bowl to make sure all is mixed in. Add the eggs, one at a time, blending after each addition. Finally, mix in the sour cream, whipping cream and vanilla. Mix until smooth. Pour the batter into the prepared pan. Set the pan on the middle rack in the pre-heated oven. Bake the cheesecake for 45 minutes. It should be set to the touch and not jiggle. Remove the cheesecake from the oven and let it cool on a wire rack for at least an hour. When it has cooled, place the pan into the freezer and let the cheesecake freeze completely (4 to 5 hours or overnight).

PREPARE THE CAKE:

Preheat the oven to 350 degrees F. Spray two 9-inch round cake pans and line the bottoms with parchment; spray the parchment as well. In a medium bowl, whisk together the flour, baking powder, and salt. In a large glass bowl, use an electric mixer to beat together the sugar and butter on medium speed until combined,

1 to 2 minutes. Add the eggs and beat well, scraping down sides of bowl as necessary. Reduce the speed to low and gradually add the flour mixture, beating until combined. Add the milk and vanilla and beat until just combined. Scoop half of the batter into another glass bowl and use gel paste (classic red and royal blue) to color the each half a deep hue. Scrape the batter into each of the prepared pans. Bake until firm to touch and a toothpick inserted into centers comes out clean, 25 to 30 minutes. Let cakes cool in pans on wire racks 15 minutes. Turn out cakes onto racks to cool completely.

PREPARE THE FROSTING:

In a large bowl, use an electric mixer to beat together the butter and cream cheese on medium-high speed until pale and creamy, about 1 minute. Reduce speed to medium. Add the powdered sugar 1 cup at a time, beating well after each addition. Add the salt, 3 tablespoons milk, and vanilla and beat until fluffy, about 3 minutes. Add an additional tablespoon of milk if you'd like the frosting to be more creamy.

ASSEMBLE THE CAKE:

Place the red cake layer on a cake plate and spread a small amount of frosting on top. Remove the (frozen) cheesecake from the pan and place the cheesecake layer on top of the red layer (be sure to measure it and make sure that it fits on top... you may need to place it on a cutting board and shave off some of the edge with a sharp knife to match the size of the cake layer). Spread a small amount of the frosting on top of the cheesecake layer. Add the blue layer on top. Scoop some frosting on top of the blue layer and cover the entire cake in a VERY THIN LAYER of frosting (you're just doing a "crumb coat.") Then place the cake in the freezer for a few minutes, just until the cake and frosting are a little bit firm. Then add the remaining frosting to the top of the cake, spread across the top evenly and down the sides. Sprinkle festive sprinkles on top, if desired. The cake should be refrigerated until ready to serve.

Notes

*Concentrated gel paste color can be found at craft stores or baking supply stores (not the regular market). Wilton sells it. I don't recommend using the liquid coloring for this recipe. The gel paste is concentrated, and you won't be adding liquid to the batter. You can also use Americolor: <http://www.amazon.com/Americolor-Soft-Paste-Food-Color/dp/B001O8KQP6>. Just keep adding color until you get a nice, strong hue.

Lake Waynoka Chapter Quilts of Valor – Honoring Our Veterans

As we celebrate our nation's 250th anniversary this year, we are reminded of the courage and sacrifice of the brave men and women who have served in our military to protect our freedom. In that spirit, we are proud to introduce the new Lake Waynoka Chapter of Quilts of Valor.

Our mission is simple but meaningful: to provide handmade quilts to our local Veterans as a symbol of comfort, warmth, and heartfelt gratitude for their service. At Lake Waynoka alone, we have over 30 Veterans, and it is our goal to ensure that each one receives a Quilt of Valor.

We meet on the first and third Tuesday of each month from 9:00 AM to 12:00 PM at the lodge, where volunteers gather to piece quilts together. We welcome anyone who

would like to help—whether you sew, iron, or simply want to be part of a great cause, there is a place for you in our group.

We are also seeking:

- Fabric donations
- Monetary contributions to help cover costs

Each quilt costs between \$200 and \$300 to make, and every donation—big or small—brings us closer to honoring another Veteran.

This is a wonderful opportunity to give back to those who have given so much. Your support helps us wrap our Veterans in a tangible expression of appreciation and respect.

For more information, to volunteer, or to contribute, please contact:

COFFEE CLUB

Meefings are held at 10:00 AM on the first
Saturday of the month at the Lodge.

Lake Waynoka widowed group

This is a group no one wants to be in but here we are. The loss of a spouse is a life changing event. We meet the last Wednesday of each month at 5:00 in the lodge library and discuss various topics, really whatever anyone wants. It is not professional therapy but it can be very helpful and healing to talk with others who really understand what you are going through. You really don't need to talk if you feel you are not ready, it can be helpful to just listen. When you are ready we are a nice supportive group here for you.

2026 Summer of Family Concerts

Music on The Green Series

The **2026 Summer of Family Concerts** are coming up soon; we'd love your sponsorship to be part of the Lake Waynoka community!

We will be hosting **four bands** for our *Music on The Green* series, performing on weekends **from 8:00 PM to 11:00 PM outside of the Lodge**. You may choose to **sponsor one band or all four**, giving your business great exposure throughout the season.

This is a wonderful opportunity to promote your business and receive recognition in the following ways:

\$100 LEVEL SPONSORSHIP INCLUDES:

- **Promotional Flyers & Signs** – Posted throughout our gated community
- **Social Media Exposure** – Featured on the Lake Waynoka Website, Facebook and Instagram, including your logo and website link
- **Waynoka Newsletter** – FREE advertisement on concert flyers, available online.
- **On-Site Advertising** – Display your provided yard sign or banner near the stage (please bring materials and sponsorship to the office)
- **Business Announcement** – Your business will be announced by the Band during the event

\$200 LEVEL SPONSORSHIP INCLUDES:

- Everything is at the \$100 level, plus:
- **Premium Banner Placement** – Larger banner displayed on the Lodge
- **Extended Promotion** – Your business card featured in a future newsletter (a \$30 value)

If you are interested, please let me know as soon as possible. You can reply with your **business name, logo, contact number, and website**—a business card image works great.

We also invite you to join us at the concerts, they're always very well attended!
Thank you for your support, we look forward to partnering with you!
