WPOA Board of Trustees Saturday Meeting - 09/12/2026

**Any updates from the Friday email are indicated in italics of the summary of each report.
**The deadline for submission of information for the monthly newsletter and other media releases is the Tuesday following the WPOA meeting at 4pm.
The Office staff appreciates the cooperation of all of the clubs to share the events and activities held at Lake Waynoka.

Roll Call: Present: Bisbe, Mulloy, Baker, Lane, Bynum, Klekamp, Rush, Mgr. Wilkin
Absent: Morrison and Kitchen were excused.

Election Timeline / Trustee Election:

The Board discussed a revised trustee election timeline intended to shorten the period between trustee election results and installation at the annual meeting; Nan McHugh stated that the restricted covenants changed in 2022 allow electronic voting and that the Board needed to vote on the timeline at the September POA meeting.

Key dates stated:

- Candidate applications: March 3
- Candidate speaking opportunity at the monthly POA meeting: Saturday, March 13
- Deadline to be a voter in good standing: Monday, March 15
- Electronic voting period: March 13 through March 31
- Trustee installation: April 17, at the annual meeting

Nan also stated that candidate videos and candidate statements were being pursued so members not present in March could still access candidate information before voting.

Motion

A motion was made by Bisbe to approve the new timeline for elections.
Individual votes stated: Bisbee — yes; Malloy — yes; Baker — yes; Bynum — yes; Klekamp — yes; Rush — yes; Lane — yes.

- Announced result: Motion carried.

Mgr. Wilkin thanked Nan and the election committee for all their hard work. Mgr. Wilkin stated that more than 1,000 emails and cell phone numbers had been received, that 1,670 members were in good standing, and that approximately 600 members in good standing still had not signed up, which was given as the reason for offering a hybrid voting approach.

Committee Reports

Long-Range Planning:
Greg reported that the committee did not meet the prior month because the meeting date fell on the day of the storm and power outages. The committee planned to meet the following week, review the updated reserve study, update assumptions, review current and suggested projects, and prepare a capital budget for Board review and approval as the group moved toward December.

A separate statement was made regarding the dam. The speaker stated that dam inspections are performed by an engineering firm with the Ohio Department of Natural Resources, that the last inspection was completed in 2023 and was satisfactory, and that the next inspection is expected in 2028.

Lake Advisory: No report was given.
Building Committee: No substantive report was captured.
Rules and Regulations: No report was given.

Campground: Kim Kramer: There is a benefit for John Tucker at Little Turtle from 5:00 PM to 8:00 PM, followed by a campground band event stated as likely 8:00 PM to 11:00 PM.

Elections: Nan was called on, and the response was “All good.”

Community Organization Reports

Lake Waynoka Quilts of Valor:
Kathy Aldrich announced a fundraising chili cook-off on September 27, during the Bengals game, with 12 chili entries at the time of the report. Donations would allow voting for people's choice, hottest chili, or most unique chili. Veterans would attend free, doors would open at noon, and a special veteran recognition was planned. A Lake Waynoka quilt raffle was also announced, with tickets available through December 12, when the raffle would occur at the December HOA meeting.

Civic Club:
John thanked participants and supporters for the fireworks event and stated that can recycling, clubs, and others helped pay for the majority of the fireworks. Announcements included bingo that evening, Civic Club participation in the October 17 craft show, lake wear and commemorative Christmas ornaments, a pancake breakfast planned for November 14, and holiday decoration map signups from November 1 through December 4, with maps ready December 7.

Veterans Banner Project
Tony Sousa thanked the community, clubs, and donors and stated that 54 banners were displayed at the front entryway, completing the 2026 mission. The Vets March was described as an inaugural benefit for the banners, with 60 people signed up and 40 participating.

Water Sports Club
The club announced Oktoberfest for Saturday, October 3, as a free community event. Food was planned from 4:00 PM to 6:00 PM, a tournament registration was discussed with the start time needing verification, and the Tempted Souls band was announced for 5:30 PM, with bad-weather backup in the lounge.

Women's Club, Art Club, Play Club
No reports were captured.

Quilts of Valor Presentation
A Quilt of Valor presentation recognized James Woods, a Navy veteran. Donald Tucker spoke about James Woods' Navy service, including service from 1966 to 1970 and Vietnam service. The presentation concluded with thanks and congratulations.

Membership Compliments and Comments

- A speaker on behalf of Homeowners of Waynoka announced a Halloween fun hunt scheduled for Friday, October 30, from 5:00 PM to 8:00 PM, with a rain date of Sunday, November 1. The event was described as family-friendly, beginning at the Lodge parking lot, involving a five-stop clue hunt, ending at Little Turtle with treats and non-alcoholic drinks, and offering prizes for top finishers and best team costumes.
- Sue Eads, Lot 2864: Thanked the Board, election committee, and rules and regulations committee for moving forward with electronic transmission and removing telegram language. The speaker also requested that people mark downed trees in the water from the storm as hazards until they could be removed.
- Nancy Hewes, Lot 1833: Expressed concerns about the campground from a business and liability perspective, stated opposition to the association being in the rental business, said the campground should be self-sustaining if operated, and asked that rules and regulations be changed to close what the speaker described as a loophole involving co-ownership of a lot by multiple people.
- Kim Kramer, Lot 2523: Many campers are also homeowners, that campers are property owners who contribute to the lake, that the campground is self-sufficient and in the black, and that the campground contributes financially, including nearly $100,000 to the water board from dues. A finance-related comment also stated that the campground covers itself and is "in the green."
- Sue Mullen, Lot 98: Requested action toward establishing a CERT team through police and fire. The speaker described CERT as a community emergency response team that could assist with first aid, transport, search and rescue, and other emergency needs.

Adjournment

Meeting adjourned.

Lake Waynoka Police & Front Gate Monthly Report

Treasurer Report Month Ending August 2026

Operating Funds

August's total operating income was $95,373.18.

August's total operating expenses were $305,105.53.

The operating fund balance at the end of August was $880,502.85.

Operating income for the year at the end of August was $2,559,351.76 That is 80% of the plan for 2026.

The expected income was 82% at the end of August, so 2% was under budget.

At the end of August, operating expenses for the year were $2,206,851.29. That is 69% of the plan for 2026. The expected expense at the end of August was 68%, which is one percent over budget. We have seen an increase to legal fees this year, accounting fees, and maintenance of aging equipment.

Allocated Assessment Funds

The income for allocated operating assessments in August was $3,771.95.

Assessment account expenditures in August totaled $41,254.05.

The balance of all allocated assessment accounts at the end of August was $594,209.37.

Invested Funds

Invested Reserves at the end of August totaled $551,582.78.

Total cash on hand at the end of August was $2,026,295.00.

Public Service Announcement

4511.50 WALKING ALONG ROADWAY:

WHERE NEITHER SIDEWALK NOR SHOULDER IS AVAILABLE, PEDESTRIANS SHALL WALK AS NEAR TO THE OUTSIDE EDGE OF THE ROADWAY AND ONLY ON THE LEFT SIDE OF THE ROADWAY, FACING TRAFFIC. ANY PEDESTRIAN UPON A ROADWAY SHALL YIELD THE RIGHT-OF-WAY TO ALL VEHICLES UPON THE ROADWAY. PLEASE REMEMBER TO NOT LET CHILDREN PLAY IN THE STREETS AND HELP THEM KNOW TO MOVE OUT OF THE WAY OF A CAR WHEN RIDING THEIR BIKE.

WPOA REMINDER

All dogs shall be leashed at all times when outside of a fenced or otherwise contained area. All pets will be controlled by their owner and not become a nuisance (excessive barking, etc.). Violations will be subject to penalties specified in Fine Schedule 1.

WRWSD Board of Trustees Saturday Meeting – 09/12/2026

Vice-President Engle called the meeting to order at 9:30am.

Roll Call: Present: Dombroskie, Engle, Feil, Gruber, Harper, Mgr. Wilkin
Absent: Brumley and Levermore were excused.

Minutes: A motion was made by Dombroskie and seconded by Harper to approve the 8/31/26 minutes as read and distributed. A yea/nay vote was taken and the motion passed unanimously.

Vice-President's Report (Engle):

- VP Engle thanked everyone for coming to the WRWSD meeting. The WRWSD, WPOA and General Manager's monthly meetings are the best way to get the most accurate and up-to-date information about our community.
- He asked Trustees to check their Lake Waynoka emails as there are several outstanding emails from the State Auditor that must be completed.
- VP Engle encouraged everyone to pay their WRWSD statements through the Lake Waynoka website or in-person to be sure their account does not receive a late fee.

Treasurer's Report (Feil): None

Manager and Plant Superintendent Report (Mgr. Wilkin/Supt. Wilson):

- We had significant damage to our pipes caused by a lightning strike which evaporated a three-foot segment. Thank you to WRWSD Staff for quickly addressing the issue.
- Mgr. Wilkin asked everyone to conserve water during power outages. If you do not have a generator to power your grinder pump, it will not work and your tank could fill up and overflow. He asked if people could wait to power your grinder pump, when power is restored, so it does not overwhelm the system and cause pipes to burst from the pressure of everyone's pump coming on at the same time.
- Currently, we have to manually switch the valve over to Brown County Rural Water in the evening and close it in the morning. Supt. Wilson is working with our engineer, DLZ, to submit plans to the EPA for an altitude valve. This will make the process automatic.
- Mgr. Wilkin is calling around to various insurance companies and local Fire Chiefs to research ISO ratings. This feedback will be used to determine if having a 2nd water tower will actually improve our ISO rating and if not, then we shouldn't pursue getting the 2nd water tower.
- Please note that if you pay your WRWSD statement through third-party companies like DOXO, it takes a few extra days for us to receive your payment and you may incur a late fee. If at all possible, log into the LW website and pay through that portal.
- We are exploring recurring ACH payments.

Old Business: Vice-President Engle asked everyone to not feed the trolls on Facebook. There is one particular site that spreads lots of misinformation, allows people to post anonymously and most of the people commenting do not live in our community. There are many avenues to receive accurate information. Lake Waynoka website, Lake Waynoka official Facebook page and monthly Board/General Manager meetings.

New Business: None

Board Member Concerns: None

Membership Concerns: Ed Mulloy asked the Board to consider if a second water tower is truly necessary given the cost and the limited number of new home permits for the next few years. Is worth it to spend $1.5 million vs. ISO rate savings for the limited future? BCRW has stated that they would not install a second tower.

Adjournment: The motion to adjourn was made by Harper and seconded by Dombroskie. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 9:50am.

Rhonda J. Maybriar, WRWSD Assistant Recording Secretary

WRWSD Board of Trustees Monday Meeting – 08/31/2026

President Levermore called the meeting to order at 6:00pm.

Roll Call: Present: Brumley, Dombroskie, Engle, Feil, Gruber, Harper, Levermore, Mgr. Wilkin, Supt. Wilson

Minutes: A motion was made by Harper and seconded by Dombroskie to approve the 8/8/26 minutes as distributed. A yea/nay vote was taken and the motion passed unanimously.

President Comments: None

Treasurer's Report (Feil): Treasurer Feil presented three motions to reinvest CDs. It was discussed that the purpose of the CDs is to protect, invest and allow extra monies to grow.

Manager and Plant Superintendent Report (Mgr. Wilkin/Supt. Wilson):

- Mgr. Wilkin discussed a quit claim deed and a spec home builder. It appears that the builder was untruthful and more research is needed to see if this was the case. Mgr. Wilkin will schedule a meeting with the builder and a few Trustees. Until this matter is cleared up, the builder will not have any other permits approved. This prompted the Board to discuss revisiting the WRWSD permit process. The Board asked Mgr. Wilkin to get with legal counsel to see if we can close some loopholes while making regulations as fair as possible during this restricted time concerning utilities.
- Supt. Wilson said the BCRW valve is turned on at 10pm-7am to fill the water tank for use during the day. Meter readings are being collected every day. He has noticed an increased water usage during the weekends. The EPA asked BCRW and WRWSD how the water arrangement is going. Everyone is very receptive at this time.
- Supt. Wilson is working on SOP (standard operating procedure) to keep the water plant current and a back-up source to BCRW.
- Supt. Wilson is working with the EPA and Engineer to install an altitude valve.
- There was a 16% unaccounted water loss during the month of July.
- Supt. Wilson would like to start purchasing materials for the sewer plant expansion once DLZ and the WRWSD have agreed on a plant design. He believes this will expedite the process once we are ready to begin construction.
- We have been working on wastewater projects. The electric panel for the generator and pump system have been updated.
- The WRWSD regionalization with Russellville is moving forward.
- We had two sewer line breaks from the storm last month. One was caused by a lightning strike and the other was caused by all the grinders coming on at the same time. The Board asked that residents conserve water during outages and delay turning your grinder circuit breaker on when the power is restored as to not overwhelm the system. President Levermore and Vice President Engle will draft grinder pump information and instructions on what to do during power outages. If you have a whole home generator, your grinder will work during the outage.
- Several members have been asking about water rates since we are on BCRW. BCRW cannot take us on a full-time basis until they expand their plant which will take 2-3 years. We have an obligation to our community to provide safe drinking water should an emergency arise with BCRW. WRWSD remains the back-up water source for Lake Waynoka and the water plant needs to be kept operational and up to EPA standards.
- The Board discussed the need of adding a second water tower to store more water for the community and to help with fire protection. Mgr. Wilkin will investigate further with insurance companies and report back.

Old Business: Vice President Engle asked if there was an update about OPERS. Mgr. Wilkin does not have an update at this time.

New Business: None

Motions and Resolutions:

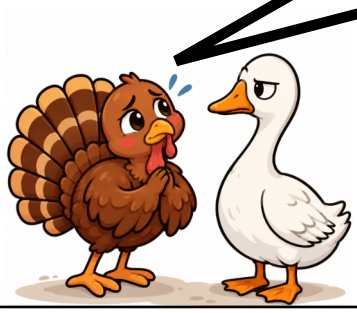

- Motion #2026-19 was made by Feil and seconded by Harper to reinvest CD# 6417769159/1 that matured on 8/10/26 at People's Bank for 13 months at a rate of 3.50% APY at People's Bank. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-20 was made by Feil and seconded by Harper to reinvest CD# 6696335767/1 that matured on 8/24/26 at People's Bank for 13 months at a rate of 3.50% APY at People's Bank. A roll call vote was taken and the motion passed unanimously.

- Motion #2026-21 was made by Feil and seconded by Harper to reinvest CD# 700700867 that matured on 8/23/26 at First State Bank for 7 months at a rate of 3.81% APY at First State Bank. A roll call vote was taken and the motion passed unanimously.

Board Member Concerns: Vice President Engle presented a Google Drive workshop to Trustees.
Adjournment: The motion to adjourn was made by Harper and seconded by Feil. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 7:38pm.

Rhonda J. Maybriar, WRWSD Assistant Recording Secretary

The previous newsletter included the August 31st WRWSD meeting minutes instead of the July 27th meeting minutes. To ensure both sets of minutes are properly published, the July 27th and August 31st WRWSD meeting minutes are included in this edition. We apologize for any confusion this may have caused.

WRWSD Board of Trustees Monday Meeting – 07/27/2026

President Levermore called the meeting to order at 6:00pm.
Roll Call: Present: Brumley, Dombroskie, Engle, Feil, Gruber, Harper, Levermore, Mgr. Wilkin, Supt. Wilson
Minutes: A motion was made by Harper and seconded by Feil to approve the 7/11/26 minutes as distributed. A yea/nay vote was taken and the motion passed unanimously.
President Comments:

- President Levermore learned that someone from the community met with Brown County Rural Water (BCRW). While members can certainly speak with other entities, he drafted a letter to BCRW letting them know the names of designated WRWSD Trustees and that anyone else they may meet with are not representing the WRWSD Board of Trustees. The Board discussed the letter and made a few adjustments. This letter will be sent to BCRW this week.
- Secretary Dombroskie asked if there was any value in pursuing Highland County water as discussed in the last meeting. Mgr. Wilkin did a quick estimate. To run an 8" water main 16-17 miles at $300/ft., the cost would be roughly $26 million. He does not see the need for us to do that since things are going well with BCRW.

Treasurer's Report (Feil): None
Manager and Plant Superintendent Report (Mgr. Wilkin/Supt. Wilson):

- We began taking BCRW metered water readings every morning so we can track water loss. We are at 5.5% water loss which is well below standards.
- Supt. Wilson presented the monthly grinder pump call log. There were 15 service call in the month of June. The QR code records the date, service technician, address, pump type and work done. This has been very beneficial to staff should they receive another call to that address.
- Supt. Wilson provided the Board with a detailed water plant report for the past 60 days. It noted that the water plant has been largely inactive since June 8th when we switched to BCRW.
- Supt. Wilson provided the Board with a detailed wastewater plant report for the past 60 days. The plant has focused on significant solid handling with rental of a dewatering belt press, extensive service to grinder pumps, preventative maintenance, hosing down the clarifier weirs, quarterly motor control center inspections, annual flowmeter calibrations, lubricating bearings on various equipment and changing gearbox oil.

- Mgr. Wilkin and Supt. Wilson provided an extensive report about their meetings with BCRW and OEPA. We are moving in the right direction with multiple moving components. We are filling our water tower during the overnight hours when BCRW usage is at its lowest demand and using the stored water during the day. Supt. Wilson is using an AI program, Hydrointel IQ, to determine the amount of water needed to fill the tower without overflow. He is uploading weekend usage information to determine the amount of water needed when LW demand is higher. We are still in the process of working with the OEPA to regionalize our wastewater plant with Russellville. We are hoping to get a direct discharge permit in the process. BCRW is working with the OEPA to secure funding for their plant expansion. If that occurs, they will be able to permanently service Lake Waynoka with water on a full-time basis in a few years after the expansion is completed. Mgr. Wilkin encouraged the Board to utilize this regionalization as our primary water source. He is encouraged by the recent meetings. The WRWSD will still need to purchase and install a second water tower to accommodate our needs as the community grows. DLZ Engineering will be doing an updated water and sewer rate study based on these conversations. The WRWSD Board will use this study in planning the 2027 WRWSD budget. Mgr. Wilkin reported that he is meeting with the WPOA Treasurer to create true profit and loss statements for each WPOA amenity, such as, the Campground, Rec Center, Lounge, Beach House, etc. The WRWSD should be collecting payments for water and sewer usage of these areas. Mgr. Wilkin did note that the Campground has 3 water meters supplying water to campers and that payment of water usage comes from the campers nightly fees that are collected.

Old Business: Vice President Engle reminded everyone to complete their training and submit certifications to Mgr. Wilkin.

New Business: Lot #497 on Spearhead asked for WRWSD grinder and water/sewer tap permits. President Levermore reminded everyone that the WRWSD only approves WRWSD utility permits and from there it goes to the building committee before a new home permit is issued. *See motion #2026-17 below.*

Motions and Resolutions:

- Motion # 2026-16 was made by Feil and seconded by Harper to authorize Mgr. Todd Wilkin to continue to negotiate regionalization of water service to Lake Waynoka and establish Brown County Rural Water as the primary source of water and the Waynoka WRWSD water plant as the back-up water supply. A roll call vote was taken and the motion passed unanimously.
- Motion #2026-17 was made by Feil and seconded by Engle to approve WRWSD permits for lot #497. A roll call vote was taken and the motion passed unanimously.

Board Member Concerns:

- Vice President Engle reported that the “My Water Advisor” app was updated in February or March. It is working better now and he encourages everyone to give it a try so you can keep track of your water usage.
- Trustee Gruber passed out a handout detailing his conversations with Brown County Rural Water and the Ohio EPA. He agrees that our best option is to regionalize with BCRW in the future.

Adjournment: The motion to adjourn was made by Engle and seconded by Harper. A yea/nay vote was taken. All were in favor and the meeting was adjourned at 7:55pm.

Rhonda J. Maybriar, WRWSD Assistant Recording Secretary

VOTE RESULTS

CODE OF REGULATIONS AMENDMENTS

OCTOBER 2026

Per the WPOA Code of Regulations, Article XII, changes to the Code are enacted if 60% of ballots returned approve the proposed amendment.

The results of the recent vote for 5 issues proposed by the Board to amend the Code are:

Issue 1 (2026-1): 87.2% APPROVAL

Issue 2 (2026-2): 88.5% APPROVAL

Issue 3 (2026-3): 64.5% APPROVAL

Issue 4 (2026-4): 85.9% APPROVAL

Issue 5 (2026-5): 69.5% APPROVAL

This vote was conducted as a hybrid vote, using paper ballots, and electronic ballots (Election Buddy).

Electronic ballots received: 499

Paper ballots received: 110

Total ballots received: 609

REMINDER: All future voting for Code amendments and for Board Trustees will be conducted by electronic voting using Election Buddy. To vote, the Lake Waynoka Administration Office requires an email address and cell phone number for each eligible voter.

Please contact the Office, 937-446-3232, or email election@lakewaynoka.com with updates.

There is still time to order Waynoka Lake clothing for gift giving. Next Bingo event has the progressive coverall jackpot at over $258! Plan to come on Oct 24th. November will be the last month for Bingo as we take December and January off. We will have a Pancake Breakfast from 7-9 on November 14. If you plan to decorate outside your home for Christmas, we will be collecting addresses to supply a map for everyone to drive by and see your display.

GOLF CLUB

Dave Adler · 304-546-371
The golf league season has ended, and my what a finish! Coming into the last week of the season, there were four golfers with a chance to win this year's championship. After completing the final round, there was a three-way tie for first place. So we went into extended playoff mode.
At the end of the three phases of the playoff, Dan Seig was the winner by just 1 out of a possible 300 points. Craig Markin finished second, and Dave Schrage came in third. Congratulations to all!
We really had a fun year this year. And we are still getting together on Tuesday mornings at Buttermilk Falls But we have changed the time to 10 o'clock. So when Tuesday is a nice day (and that will happen frequently before winter comes), come on out and join us in the "just for fun" part of the golf year. Hit them long and straight! See you for more league play next year!

Kathryn Aldrich · kaldrich8392@yahoo.com

Look How Far We've Come! What an incredible seven months it has been for Lake Waynoka Quilts of Valor! When we started in March, there were just four of us, and we thought we had about 20 veterans to honor. Today, we have a wonderful network of quilters from three quilt guilds, along with more than 10 volunteers sewing kits at home.

As of October 16, we have proudly presented 16 Quilts of Valor! And there's more exciting news! The Georgetown Quilt Group has chosen us for its quarterly charity project and will be making 12 Quilts of Valor for us in February. Thanks to the generosity of the Civic Club, Watersports Club, Women's Club, our Chili Cook-Off supporters, and many individual donors, we have raised enough money to fully fund 22 quilts! We've also received generous donations of fabric, batting, and quilting supplies.

But our work is far from finished! We now know of more than 55 Lake Waynoka veterans still waiting to be honored. Each quilt costs approximately $250, and our goal is to recognize every one of these veterans by the end of 2027. Our fundraising continues with Lake Waynoka sweatshirts, tote bags, and our beautiful Lake Waynoka raffle quilt. The raffle drawing will take place at the December POA meeting, just in time for Christmas!

Want to help? Donations, quilt sponsorships, and volunteers are always welcome. You don't need to know how to sew! We meet the first and third Tuesdays of each month, from 9 a.m. to noon at the Lodge. Thank you, Lake Waynoka, for helping us turn a small idea into something truly special. Every quilt we present wraps another veteran in comfort, honor, and the gratitude of our community.

NO WRAP

RETURN to the lounge by Dec. 11th

THANK YOU FOR YOUR GENEROSITY.

Merry Christmas!

Light Up The Lake 2026

Planning to spend time making your home dressed for the holidays? Provide your address to the Civic Club and we'll add it to the map of the lake showing where you are. (similar to the map done for the May yard sale)

This map makes it easier for your drives around the lake to enjoy the lights of the season!

Provide your name & address to Jeff Tackett by ***Nov 27***

jetackett55@yahoo.com

Get on the Map!

*This is not a competion just fun to do

Lake Waynoka widowed group

This is a group no one wants to be in but here we are. The loss of a spouse is a life changing event. We meet the last Wednesday of each month at 5:00 in the lodge library and discuss various topics, really whatever anyone wants. It is not professional therapy but it can be very helpful and healing to talk with others who really understand what you are going through. You really don't need to talk if you feel you are not ready, it can be helpful to just listen. When you are ready we are a nice supportive group here for you. ❤️

PRESENTING OUR 2026 COMMEMORATIVE ORNAMENT

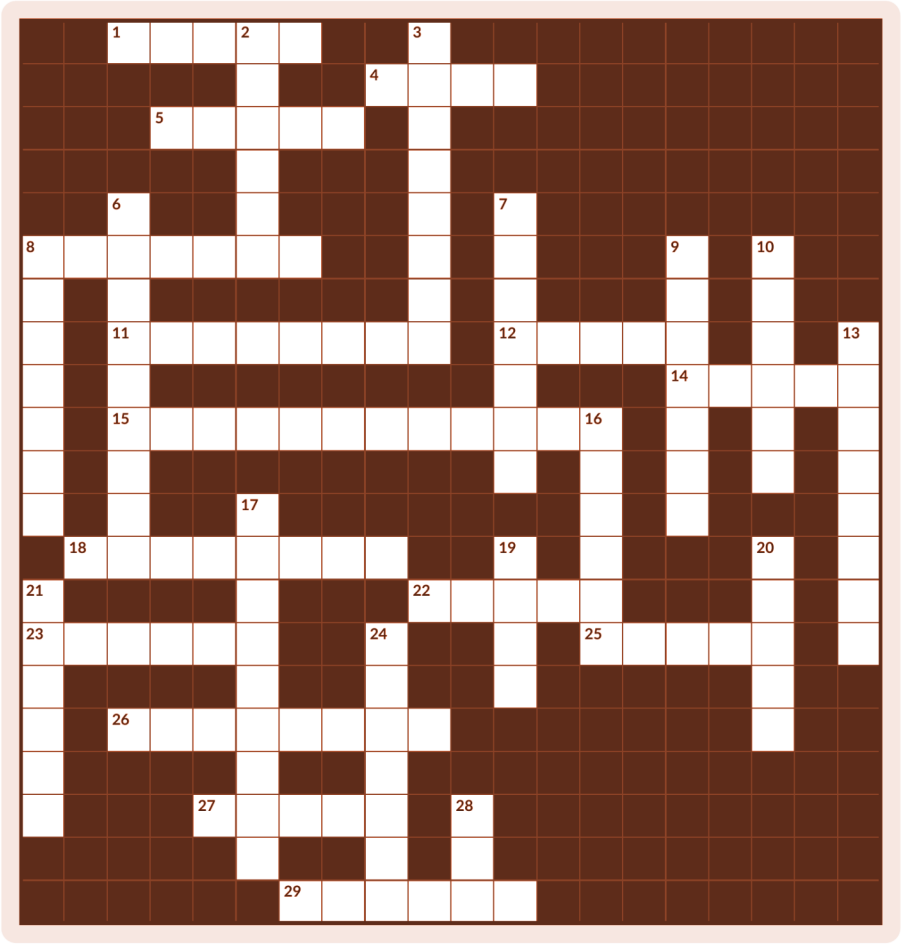

PROFITS FROM THE SALE OF THESE ORNAMENTS SUPPORT THE LABOR DAY FIREWORKS

NOVEMBER

CROSSWORD

A little autumn fun - 30 clues inspired by the season

ACROSS

1. Crisp orchard fruit popular in fall desserts
4. Warm, comfortable, and snug
5. Long, cozy accessory worn around the neck
8. The season of gathering crops from the fields
11. Feeling appreciative for what you have
12. Nut often baked into a Thanksgiving pie
14. A big celebratory meal
15. A late-November holiday centered on gratitude and gathering
18. People honored on November 11 for their military service
22. Small nut dropped by an oak tree
23. Another name for the fall season
25. Hard-shelled autumn squash used for decorating
26. The eleventh month of the year
27. Thin crystals that coat lawns on cold mornings
29. Traditional roasted bird at many holiday meals

DOWN

2. They change color and fall from trees
3. A popular game to watch during Thanksgiving weekend
6. A feeling of appreciation and thankfulness
7. Orange squash used for pies and autumn decorations
8. A wagon trip through the countryside
9. A large outdoor fire on a brisk evening
10. A festive procession of floats and marching bands
13. Savory bread dish traditionally served with turkey
16. Sharing generously with others
17. A tart red berry often served as a holiday sauce
19. A golden crop often featured in harvest displays
20. Spiced apple drink, served warm or cold
21. Relatives often reunited around the holiday table
24. Warm knitted clothing for chilly weather
28. A dessert with crust and filling

Make time for gratitude, traditions, and a little fun.

The WaterSports Club donated a recycling center at the Pointe.

Please crush and put only aluminum cans in this trash can. The cans will help the Civic Club pay for the fireworks.

Dear Prospective Advertiser:

Waynoka Newsletter is a monthly publication by the Waynoka Property Owners Association, with circulation available to over 1700 eligible property owners. Most of our property owners do not receive the local newspaper. Therefore, the Waynoka Newsletter is the only publication they have to find needed services locally.

Advertising Benefits: Your ad goes into our newsletter and on our website, along with being sent out in our news blast email to over hundreds of readers. We will also include a link to your website from our lakewaynoka.com/newsletter-advertisers page.

All ads must be paid for in advance, be camera ready to size**,** typewritten in the exact words to be printed, and delivered by the deadline date.

Deadline Date: First Tuesday after the second Saturday of each month by 4:00 pm and can be hand delivered to the

Lake Waynoka Administration Office, mailed, or e-mailed. We accept checks, payable to WPOA, Visa, MasterCard, Discover, and cash.
Please refer to the back of this letter for pricing and ad sizes.
Please give our office a call at ***937-446-3232 or email newsletter@lakewaynoka.com*** if you have any questions.

Mail ads and payments to:
